This annual event is sponsored by the Bulldog Beginnings Team and is open to our students, employees and the public. It features novelties, Five-Star RSO's, Ferris State Service Departments, select Human Service Agencies, an ice cream social, and so much more.

If your Department would like to participate, please sign up for a table at https://orgsync.com/18438/forms/320928 . Exhibitors will be able to start setting up at 3 pm that day and are expected to stay for the duration of the event.

Please feel to email or call me (number below) if you have any questions. Thank you and have a great day!

Wellness Wednesday

SEVEN DIMENSIONS OF WELLNESS

EMOTIONAL ENVIRONMENTAL INTELLECTUAL OCCUPATIONAL PHYSIAL SOCIAL SPIRITUAL

The Wellness Wednesday Committee invites Ferris departments and colleges to contribute to the well-being of our students by hosting a Wellness Wednesday session. This is a great opportunity to highlight your program or service while focusing on wellness related topics. Choose a topic that supports healthy behaviors and relates to one or more dimension of wellness.
Wellness Wednesday sessions take place in the University Center, outside the CLACS offices, where a table will

be provided. The session is from 11AM to 2PM.
For more information, contact Candace Price at 591-5972 or email candaceprice@ferris.edu
We encourage and welcome University-wide participation. Help us create a healthier campus!
