Construction Work, Parking Lot 27

Construction Work, Parking Lot 27.
Please be advised that Parking Lot 27 will close at **12:01 a.m. on Friday, June 1, 2018**. Rieth Riley Construction will commence removal of the existing asphalt surface on Friday, June 1. The scope of work to mill the existing asphalt, remove from site, prep the subsurface and place the base/ leveling layer of new asphalt is expected to be completed by end of day on Saturday, June 2, 2018. Pending weather related concerns, Rieth Riley is expected to return on Saturday, June 9 to place the top layer of asphalt materials. Pending weather related concerns of rain or high temperatures, we anticipate Parking Lot 27 to return to normal use the week of June 11, 2018. Striping of the parking surface will occur at a later date.
During this parking lot construction, faculty, staff and visitors who normally park in this parking lot are advised to seek other parking options in surrounding lots such as

- Lot #3 behind Vandercook Hall;
- Lot #10 west of Williams Auditorium or
- Parking Lot 37 east of CSS/ IRC.

Your patience and cooperation is appreciated as we commence our annual efforts to improve campus parking lots and roadways. Should you have any questions or concerns

relative to the above, please direct to the attention of Mark Eichenberg at extension 2951.
