Hoonuit: Canvas Training Tutorials

In this series, you will learn how to use Canvas as an instructor to create new courses and maintain current courses. Manage and run discussion boards within your courses, manage and add assignment to your courses, work with announcements and the calendar, maintain and add students to your course. Upon completion of this series, you will gain the knowledge needed to create and maintain distance and resident courses using Canvas.

DCCL Program Newsletter- Spring 2019

If you would like to see recent news and student accomplishments from the Doctorate in Community College Leadership program, please enjoy our spring 2019 DCCL Newsletter with President Eisler welcoming the Texas Cohort and Cohort Nine to the Ferris campus.

We would also like to extend our sincerest appreciation to Dr. David Pilgrim for speaking with our Texas students at the Jim Crow Museum of Racist Memorabilia, along with Lisa Kemmis, who answered our group's questions with candor while at the same time providing an expert historical backdrop.

Warmly,

Be The Leader You Would Follow
