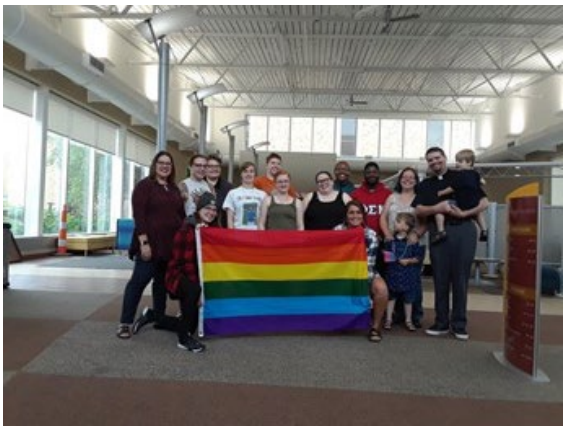
Proud Bulldogs during LGBTQ+ Pride Month!

Now that LGBTQ+ Pride Month is coming to a close, I thought I would share some highlights from the LGBTQ+ community at Ferris State!

On Sunday, June 9, we celebrated Pride Month with Rock the Rainbow!, a Pride Picnic. It was raining, so a group of LGBTQ+ people and our straight and cisgender friends and allies, including Ferris students, faculty, and staff, as well as people from the Big Rapids community, enjoyed LGBTQ+ arts and crafts and a lunch, catered expertly by Ferris State University Catering, in the IRC Connector. As far as we know this was Big Rapids' first LGBTQ+ Pride Month celebration!



At the Grand Rapids Pride Festival a team of staff and students from Admissions and from the LGBTQ+ Resource Center staffed a table, and had a gay old time meeting prospective students, incoming students, current FSU students, faculty, and staff involved with programs in Big Rapids, Grand Rapids, and in several of our community college locations, as well as reconnecting with some of our FSU/KCAD alumni, which should help the LGBTQ+ Resource Center begin to build and support an LGBTQ+ alumni group in the future. Many thanks to Omar Gonzalez and both departments' student staff for making this so successful, even in the rain!

And when the weather finally permitted, this week our students painted the rock outside of the Rock Café with rainbow colors, trans flag colors, bisexual, pansexual, polyamorous, and asexual flag colors and celebratory words. If you get a chance, swing by and admire the students' handiwork, or take a picture to show us your Bulldog LGBTQ+ Pride Month Pride before the rock is painted again! #FSULGBTQ.

Happy Pride, Bulldogs!

IT Services University Audit Announcement

Information Technology Services will be performing an internal audit of University owned assets. This will include any IT barcoded items such as computers, laptops, displays, audio/visual items, and tablets.
The objectives of this audit are to:

- Assess the identification and location of assets to verify information in our databases.
- Provide a current report as to "Active" University assets, for use with PCR and other IT support activities.

The scope of the audit will include walkthroughs, inquiries, and the use of computer-assisted audit tools. This audit began the week of July 8, 2019 and is scheduled for completion August 23, 2019. The fieldwork will be performed by ITS Inventory Employees. I will review and supervise all audit work. Timely completion will depend on response to inquiries, requests for information and validation of audit findings. All Inventory Employees have completed the GCN HIPAA training. If you need verification of their certificates, I can provide them to you.
We are looking forward to working with you on this audit! If you have any questions, please feel free to call me at 231.250.0637 or by email at BeckyWalsh-Zimmerman@ferris.edu. Thank you!
