<sup>5</sup> **MTU**-Engineering & Computer Science students classified as a sophomore & above are assessed an additional program fee of \$400/semester.

<sup>6</sup> **OU**-A reevaluation of Oakland's course fees indicated that more than 50% of full-time resident undergraduate students take a class with a course fee. We therefore calculated an average per credit hour rate for each student type in order to show the course fees as part of mandatory fees. This adjustment was only necessary for the Fall semester, as all mandatory fees including the course fee were eliminated effective Winter semester 2006. The per semester fees of \$243 should therefore only be included in the Fall semester tuition and required fees calculation. FY04 rates incorrectly excluded course fees. FY05 rates correctly report course fees for Fall and reflect elimination of all mandatory fees for Winter FY06. This reporting anomaly results in incomparable rates between FY05 and FY06.

<sup>7</sup> **SVSU**-An additional \$47.20/cr. is assessed for professional courses in Bs. & Management, Computer Information Systems, Computer Science, Education, Engineering, Nursing, & Occupational Therapy.
