

Academic Service Learning Project

Ferris State University

Course Information Sheet

Please fill out this form, attach your syllabus, and email to samuelsw@ferris.edu.

Please provide us with the following course information. We are interested in understanding your basic course content, particularly the academic service learning (ASL) component of your course. Use the Academic Service Learning Essential Project Elements to align your course with the ASL objectives. Your basic course information will be posted on (<http://www.ferris.edu/htmls/administration/academicaffairs/engagement/>).

1) Instructor Name: _____

2) Department, Course Number and Credit Hours: _____

3) Course Title: _____

4) Semester Course will be taught: _____

5) Qualification as an ASL course requires that at least one of the course objectives is taught through the use of academic service learning. Describe the learning outcome(s) to be achieved through ASL.

6) Describe the Academic Service Learning assignment and activity(s) you are planning:

7) Specifically, what, if anything will you change or add to this course to make it qualify for ASL? e.g. syllabus language, activities, etc.

8) Anticipated Resource Requirements: At this time we anticipate \$300 to \$500 per course to offset costs specific to ASL class projects; please let us know what funding you might need. Examples include class travel, food, supplies / materials, scientific testing kits.
