

## Tool Donations needed for HVACR Program:

Duct calculators  
B&G system syzers  
Digital readout air and water pressure meters  
Small natural gas radiant heater (tube type, low intensity)  
R 410A, 134A, 404A refrigerants  
Refrigerant filter driers 3/8 in flare  
Heating and cooling thermostats, programmable (used or new)  
Steam trap rebuild kits  
12 and 14 gauge wire  
1/4 and 3/8 inch rolls of soft copper  
3/4, 1, 1 1/4, copper fittings  
Wire connectors  
Transformers  
Pipe cutting dies  
Digital psychrometers  
High efficiency boiler  
Fuel oil pump pressure test kit  
Fuel oil transformer tester  
Belt tension gauge
