CHARTER SCHOOLS OFFICE POLICY

Revised: June 1, 2023

EDUCATIONAL SERVICE PROVIDER

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Educational Service Provider Policies ("ESP Policies") have been prepared by the Charter Schools Office (CSO). They now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement with an Educational Service Provider ("ESP") on or after the date set forth above. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

A. Academy Board Due Diligence

1. Prior to executing an agreement with an ESP, the Academy Board shall perform sufficient due diligence to establish that the ESP has the appropriate financial resources, educational services, and managerial experience to provide the contracted services. Prior to contracting with an ESP, the Academy Board shall obtain sufficient information to conclude that the ESP agreement, on the terms to be approved, is in the best financial and educational interest of the Academy. At a minimum, and prior to the execution of an ESP agreement, the Academy Board shall provide the following information to the Charter Schools Office via Epicenter **in addition to the proposed contract:**
 - List of all ESP owner(s), directors and officers.
 - Type or form of entity (for-profit corporation, non-profit corporation, limited-liability company, etc.).
 - Name of the ESP's primary banking institution.
 - Legal counsel for the ESP. Name, address, and telephone number of firm and name of contact person.
 - Accounting firm for the ESP. Name, address, and telephone number of firm and name of contact person.

- A written statement regarding the ESP's experience in providing educational services and a description of the types of educational service to be provided to the Academy.
2. Academy Board members, Academy Board employees, and their respective spouses and immediate family members may not have any direct or indirect ownership, employment, contractual or management interest in any ESP that contracts with the Academy. The Charter Schools Office may formally waive this condition for persons who have an ownership interest in an ESP that contracts with the Academy if it concludes that the ownership interest is not a conflict of interest.
 3. If an Academy proposes to enter into a new, amended or renewal agreement with an ESP to provide persons to perform work at the Academy, or to extend the term of an existing agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed agreement to the CSO Director for review.
 4. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement and detailed description in compliance with this policy and the Terms and Conditions of the Contract, the CSO Director shall notify the Academy if the proposed agreement is disapproved (the CSO Director may disapprove the proposed agreement in his or her sole discretion). If the proposed agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No agreement described in this policy may be entered into that is disapproved by the CSO Director. By not disapproving a proposed agreement, the CSO Director is in no way giving approval of the proposed agreement, or any of the terms or conditions thereof.
 5. The Academy Board shall retain independent legal counsel to review and advise it during the negotiation of the ESP agreement. Legal counsel for the Academy shall not also represent the ESP or principals thereof, or have provided recent or significant representation to the ESP or its principals in the past. The ESP agreement shall be an arms-length, negotiated agreement between an informed Academy Board and the ESP. Prior to the Academy Board's approval of the ESP agreement, the Academy Board shall obtain a legal opinion from its legal counsel, which includes the representations that legal counsel has reviewed the Proposed Educational Service Provider Agreement, the Charter Schools Office Educational Service Provider Policies and the Contract to Charter the Public School Academy, and which opines that:
 - A. The Academy Board has the power and authority to enter into the proposed agreement;
 - B. Execution of the proposed agreement does not violate any term or provision of the Policies, Charter Contract or applicable statute; and

- C. Entering into the agreement does not permit or require improper delegation by the Academy Board.
6. The Academy Board shall not approve an ESP agreement until all board members have been given a reasonable opportunity to review the proposed ESP agreement with the Academy's legal counsel.
 7. The Academy Board shall only approve an ESP agreement with a formal vote at a public board meeting. Prior to the Academy Board's vote on the ESP agreement, the Academy Board shall provide a reasonable opportunity for public comment on the proposed ESP agreement.

B. Academy Board Administrative and Fiduciary Responsibilities

1. In negotiating the ESP agreement, the Academy Board shall budget adequate resources to fulfill its Contract requirements which may include, but are not limited to: oversight of the Academy's ESP; negotiation of the Contract and any amendments; payment of staff costs, insurance required under the Academy's lease, ESP agreement and the Contract; annual financial audit; the Academy Board's legal counsel, consultants, recording secretary and any other such cost necessary for Academy Board operations.
2. The Academy Board shall be responsible for determining the budget reserve amount included as part of the Academy's annual budget. In addition, the Academy Board is responsible for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount.
3. The ESP shall present to the Academy Board, on a frequency established by the Academy Board, a detailed reconciliation of budgeted to actual revenues and expenditures, with an explanation of variances. Also, the ESP shall present to the Academy Board, on a frequency determined by the Academy Board, a detailed schedule of expenditures at object level for review and approval by the Academy Board.
4. The Academy Board shall be informed of the level of compensation and fringe benefits provided to employees of the ESP assigned to the Academy.

C. ESP Agreement Provisions

1. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy.

2. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract. Except as permitted under the Contract and Applicable Law, no ESP agreement shall restrict the University's or the public's access to the Academy's records.
3. No provision of an ESP agreement shall interfere with the Academy Board's duty to exercise its constitutional, statutory, contractual and fiduciary responsibilities governing the operation of the Academy. No provision of an ESP agreement shall prohibit the Academy Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.
4. An ESP agreement shall not restrict an Academy Board from waiving its governmental immunity or require an Academy Board to assert, waive or not waive its governmental immunity.
5. No provision of an ESP agreement shall alter the Academy Board treasurer's legal obligation to direct that the deposit of all funds received by the Academy be placed in the Academy's depository account as required by law. The signatories on the depository account shall solely be Academy Board members and/or individuals properly designated annually by Board resolution. Interest income earned on Academy depository accounts shall accrue to the Academy.
6. An ESP agreement shall contain a provision that all finance and other records of the ESP related to the Academy will be made available to the Academy's independent auditor.
7. An ESP agreement shall not permit the ESP to select or retain the independent auditor for the Academy.
8. If an ESP purchases equipment, materials and supplies on behalf of or as the agent of the Academy, the ESP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the Academy. The ESP will comply with Section 1274 of the Revised School Code as if the Academy when making these purchases directly from a third party supplier.
9. An ESP agreement shall contain a provision that if the ESP procures equipment, materials and supplies at the request of or on behalf of the Academy, the ESP shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.
10. An ESP agreement shall contain a provision that clearly allocates the respective proprietary rights of the Academy Board and the ESP to curriculum or educational materials. At a minimum, ESP agreements shall provide that the Academy owns all proprietary rights to

curriculum or educational materials that (i) are both directly developed and paid for by the Academy; or (ii) were developed by the ESP at the direction of the Academy Board with Academy funds dedicated for the specific purpose of developing such curriculum or materials. ESP agreements may also include a provision that restricts the Academy's proprietary rights over curriculum or educational materials previously developed or copyrighted by the ESP, or curriculum or educational materials that are developed by the ESP using funds from the Academy that are not dedicated for the specific purpose of developing Academy curriculum or educational materials. All ESP agreements shall recognize that the ESP's educational materials and teaching techniques used by the Academy are subject to disclosure under the Code and the Freedom of Information Act.

11. An ESP agreement under which an Educational Service Provider provides persons to perform work at the Academy shall be clear about which persons or positions are employees of the ESP, and which persons or positions are employees of the Academy, if any. If the ESP leases employees to the Academy, the ESP agreement shall provide that the leasing company accepts full liability for benefits, salaries, worker's compensation, unemployment compensation and liability insurance for its employees leased to the Academy or working on Academy operations. If the Academy is staffed through an employee leasing agreement, legal confirmation shall be provided to the Academy Board that the employment structure qualifies as employee leasing.
12. An ESP agreement shall contain insurance and indemnification provisions outlining the coverages the ESP will obtain. The ESP's insurance is separate from and in addition to the insurance the Academy Board is required to obtain under the Contract.
13. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of the ESP.
14. The maximum term of an ESP agreement shall not extend beyond the term of the Academy's Contract.
15. An ESP agreement shall provide that any action or inaction by the ESP which causes the Contract of the Academy to be revoked, terminated or suspended, or which results in the Academy receiving official notification from the CSO, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or suspension of the Contract, shall be designated a material breach, which shall be grounds for termination of the ESP agreement by the Academy. The ESP agreement shall also provide for termination if directed by the University Board as part of the process of reconstitution, as provided by the Revised School Code.
16. If the Academy intends to enter into an agreement with the ESP for the Academy's learning platform (e.g., virtual technology/curriculum, etc.), then such agreement must be separately documented, separately approved, and cannot be part of or incorporated into the ESP Agreement. Neither the ESP Agreement nor the agreement for the platform may contain a

cross-default provision that allows the ESP to terminate the agreement for the learning platform upon termination of the ESP Agreement.

17. ESP Agreements shall provide that the financial, educational and student records pertaining to the Academy are Academy property, and that such records are subject to the provisions of the Michigan Freedom of Information Act. All Academy records shall be physically or electronically available, upon request, at the Academy's physical facilities. **To the extent the ESP manages and/or holds the Academy's financial, educational, and/or student records (whether electronically or physically), the ESP Agreement shall provide that the Academy Board shall have immediate access to such records, upon request, including electronic access to any database holding such records.** Except as permitted under the Contract and Applicable Law, no ESP Agreement shall restrict the College's or the public's access to the Academy's records.

D. Lease and Loan Agreement Provisions

1. If the Academy intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the ESP, then such agreements shall be separately documented and not be a part of or incorporated into the ESP agreement. In all cases, the Director of the CSO shall be provided copies of all such documents and agreements for review prior to execution by the academy Board.

E. Timeliness and Board Best Practices

1. All Board members as well as FSU Field Representatives assigned to the academy should receive a complete board packet no later than three (3) days in advance of the meeting. Packets may be delivered in hard copy or electronically, based upon the preference of the Board.
2. Members of the Board should not be given new information and asked to vote on that material at the same meeting unless extreme circumstances warrant this action.
3. The Board President should have the final review and decision as to the meeting agenda.
4. Special Board meetings (meetings outside of the official Board calendar) may be called for specific agenda items that cannot wait until the next regularly scheduled meeting or items that of an emergency nature. In all cases, special meetings should not be a replacement for the full agenda of a regularly scheduled meeting.
5. The Board should conduct an annual review of the ESP to determine the academy's progress towards goals, and the status of meeting the conditions set forth in the charter contract.

Revised: May 2016

FACILITY FINANCE & PROPERTY ACQUISITION

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Facility Finance & Property Acquisition Policies ("FF&PA Policies") have been prepared by the Charter Schools Office (CSO). They now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement for Facility Finance & Property Acquisition ("FF&PA") on or after the date set forth above. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

A. University Board Approval of Condemnation

In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act, or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the CSO Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property and a request for a contract amendment. The CSO Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the CSO Director's recommendation will be submitted by the CSO Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

B. CSO Director Review of Certain Financing Transactions

If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the

State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion of its State School Aid Payments be forwarded by the Fiscal Agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request for review to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any) together with a copy of the proposed lease, deed or bill of sale for any facilities or equipment to be acquired in the transaction, and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

C. Other Transactions Requiring CSO Director Review

If the Academy desires to enter into a purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, (ii) Academy facilities that are in addition to or intended to replace the Academy's facilities described in Section 6, or (iii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable), submit a written request for review to the CSO Director describing the proposed transaction and the facilities or capital assets to be purchased, leased or which are otherwise the subject of the transaction, together with a copy of the proposed lease, deed or bill of sale for such facilities or assets. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

D. Disapproval of Certain Transactions

Due to the uncertain status of an Academy's Contract where the Academy has been placed in Intensified Monitoring status by the CSO pursuant to the CSO's Reinvigorating Excellence Initiative, a transaction that is required to be submitted for review by the CSO Director pursuant to these Facility Finance and Property Acquisition Policies by such an Academy will be disapproved by the CSO Director if the transaction would require payments to be made by the Academy after the Academy's existing Contract expiration date, except that the CSO Director may elect not to disapprove such a transaction where the CSO Director determines in his or her sole discretion that all of the following conditions are met:

1. The Academy is not in Intensified Monitoring;
2. The Academy has an unrestricted fund balance that is not less than fifteen percent (15%) of its projected annual expenditures;
3. Entering into the proposed financing transaction will not cause the Academy to expend more than an amount equal to twenty percent (20%) of the funds to be received by the Academy annually from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., on discharging its annual obligations in connection with the lease or purchase of the Academy's land, building and other physical facilities;
4. The facilities or equipment to be acquired with the proceeds of the proposed financing transaction are replacements for existing facilities or equipment and are necessary for continued safe operation of the Academy and the achievement of its educational goals; and
5. Any other conditions deemed relevant by the CSO Director.

CHARTER SCHOOLS OFFICE POLICY

Adopted: March 2009

Revised: January 2019

DISSOLUTION

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Dissolution Policies ("Dissolution Policies") have been prepared and adopted by the Charter Schools Office (CSO). These Dissolution Policies now become part of the Contract and apply immediately to all Public School Academies now authorized, and prospectively to all Public School Academies hereafter authorized or re-authorized, pursuant to Contracts issued by the University Board.

A. Academy Board Obligations Relating to Termination of Contract

1. **Contract Ending Notice.** When given by the Director of the Charter Schools Office ("CSO Director") or the University Board, each of the following written notices to the Academy Board shall constitute a "Contract Ending Notice": (a) that the University Board will not be renewing the Contract or extending it beyond its then existing term; (b) that the University Board is exercising its right to terminate the Contract; or (c) that the University Board has revoked the Contract. A notice of termination from the Academy shall also constitute a "Contract Ending Notice" for purposes of this policy.

2. **Notice to State of Michigan.** Within ten (10) days of receipt of a Contract Ending Notice, the Charter Schools Office (CSO) shall give written notice to the Michigan Department of Education and the Michigan Department of Treasury of the non-renewal, non-extension, termination, or revocation of the Contract, as the case may be. Unless otherwise expressly provided in writing by the CSO Director or the University Board, the CSO shall request the Michigan Department of Education's guidance and procedures on the dissolution, liquidation and winding up of the Academy. The notice given by the CSO shall advise the Michigan Department of Education and the Michigan Department of Treasury of the Contract Ending Date. The "Contract Ending Date" is (a) the date the term of the Contract ends, if the Contract is not being renewed or extended, (b) the effective date of termination, if the Contract is being terminated, or (c) the effective date of revocation, if the Contract is being revoked. The CSO shall simultaneously send the Academy Board a copy of its notice.

3. **Plan of Dissolution and Liquidation.**

a. When a Contract Ending Notice is received, then, unless otherwise expressly provided in writing by the CSO Director or the University Board, at least forty-five (45)

days prior to the Contract Ending Date, the CSO Director shall submit to the Academy Board a plan of dissolution, liquidation and winding up for the Academy that is in full compliance with the Contract and all Applicable Law, regulations, rules, orders and governmental procedures.

b. The Academy shall immediately comply with the proposed plan of dissolution, liquidation and winding up provided by the CSO Director (the "Plan of Dissolution and Liquidation"). The Academy Board shall not alter the plan of dissolution, liquidation and winding up except by written permission of the CSO Director.

c. If not already in place in accordance with the Contract, the Academy shall cooperate in establishing an Academy Dissolution Administrative Account. If not so provided by existing Contract, upon receipt of a Contract Ending Notice, the University shall direct up to ten thousand dollars (\$10,000) from each subsequent School Aid Fund payment, not to exceed a combined total of thirty thousand dollars (\$30,000) to a separate Academy account ("Academy Dissolution Administration Account") to be used exclusively to pay the costs associated with the wind up and dissolution of the Academy, including but not limited to the expense of audits, inventory, appraisal, sale of unencumbered property, legal and other professional expenses, expenses of winding up corporate existence, the transfer of records, and the placement of students, and other administrative expenses related to dissolution. Within five (5) business days of the CSO's notice, the Academy Board Treasurer shall provide the CSO Director, in a form and manner determined by the CSO, with account detail information and authorization to direct such funds to the Academy Dissolution Administrative Account. The Academy Dissolution Administrative Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as the wind up and dissolution administrative expenses have been satisfied. If the Academy does not cooperate in establishing the Academy Dissolution Administrative Account as directed, then the CSO may proceed to segregate such funds to be held by the University and separately accounted for, to be paid on behalf of or released to the Academy for the purposes described in this Section.

4. Appointment of a Receiver. If requested to do so by the CSO Director or the University Board at any time following a Contract Ending Notice, the Academy Board shall cause the Academy to petition the appropriate Circuit Court of the State of Michigan for the appointment of a receiver to administer the dissolution, liquidation and winding up of the affairs of the Academy. To the extent necessary, the Plan of Dissolution and Liquidation shall thereafter be deemed modified to accommodate the appointment of a receiver. The CSO may, at its option, offer assistance for the Plan of Dissolution by providing services of Wind Up and Dissolution Manager at the CSO's expense.

NONESSENTIAL ELECTIVE COURSE

Pursuant to the Terms and Conditions of the Contract ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), this Nonessential Elective Course Policy has been prepared by the Charter Schools Office (CSO). It now becomes part of the Contract and applies immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that is interested in providing nonessential elective courses to pupils at a non-public school site on or after the date set forth above. Failure by the Academy Board to comply with this Policy may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

- I. A public school academy ("Academy") that is interested in providing nonessential elective courses to pupils at a non-public school site shall submit the following documentation and information to the Ferris State University Charter Schools Office:
 - a. A draft copy of a Contract amendment with all attachments. See attached Contract Amendment form.
 - b. The name of the non-public school requesting the nonessential elective courses.
 - c. The name of the public school district in which the non-public school is located. (Note: In order for the Academy to provide nonessential elective courses to students at the non-public school, the Academy must be located in either (i) the same school district in which the non-public school requesting nonessential elective courses is located; or (ii) a school district that is contiguous to the school district in which the non-public school requesting nonessential elective courses is located.)
 - d. A copy of the non-public school's written request to the school district requesting that certain nonessential elective courses be provided.

- f. A copy of any agreement between the Academy and non-public school relative to the provision of nonessential elective courses to students at the non-public school site.
- g. A list of the nonessential elective courses being provided by the Academy to the non-public school, and the time of the day that instruction is provided at the non-public school.
- h. Confirmation that the non-public school is registered with the Michigan Department of Education and meets all the necessary reporting requirements for a non-public school under applicable law.¹
- i. Confirmation that the Academy has confirmed with its insurance carrier that the nonessential elective courses being provided by the Academy to pupils at the non-public school is an activity or program covered under the Academy's existing insurance policy.
- j. Moved by Trustee Ramirez-Saenz, supported by Trustee Snead, and unanimously carried that the Ferris State University Board of Trustees hereby approves the following Resolution, as submitted on this date:

RESOLUTION

WHEREAS, the Ferris State University Board of Trustees (the “University Board”) granted conditional approval to a Resolution (the “Initial Resolution”) dated March 14, 2007, for Clara B. Ford Academy (the “Academy”), which conditionally authorized the execution of a contract with the Academy to charter an academy (“Original Charter Contract”) and conditionally authorized the Chairperson of the University Board to execute the Original Charter Contract between the Academy and the University Board; and,

WHEREAS, on March 28, 2012 the University Board reauthorized the Academy for five years through June 30, 2017; and,

WHEREAS, on February 10, 2017, 2009 the University Board reauthorized the Academy for five years through June 30, 2022; and,

WHEREAS, the Academy is a Strict Discipline Academy that is located at the Vista Maria Women’s Rehabilitation Center in Dearborn, Michigan and provides education to incarcerated, adjudicated and suspended female youth; and,

WHEREAS, the Academy currently has 52 students in grades 8-12; and,

WHEREAS, in 2020-2021 the ethnicity breakdown of the student population was 52% Black (non-Hispanic), 35% White (non-Hispanic) and 13% Other with 40% receiving special education and 100% receiving free and reduced lunch rate; and,

WHEREAS the Academy uses two metrics, NWEA and SEL Scale, to assess student progress and currently the Academy meets all of their assessment goals; and,

WHEREAS, the University Board desires to reauthorize the Academy pursuant to the terms of a new contract to charter an academy (“New Charter Contract”) in substantially the form provided to the University Board in connection with its consideration of this reauthorization resolution (the “Reauthorization Resolution”) for five years through June 30, 2027; and,

WHEREAS, the University Board intends that the New Charter Contract shall supersede and replace the Original Charter Contract in all respects.

NOW THEREFORE BE IT RESOLVED:

1. The application for the reauthorization of Clara B. Ford Academy (the “Academy”) submitted to the Ferris State University Charter Schools Office (FSU CSO) for a term ending on June 30, 2027, is approved contingent upon the Academy Board approving the New Charter Contract (including without limitation the Terms and Conditions and all of the Schedules incorporated therein) and its execution, delivery and filing of the same in the name of and on behalf of the Academy.

The University Board establishes the method of selection, length of term, number of members, qualification of members, the procedure for removal of members, and other matters pertaining to the Academy’s Board of Directors, as follows:

a. Method of Selection. The University Board shall prescribe the methods of appointment for members of the Academy Board. Ferris State University’s Director of Charter Schools (“CSO Director”) is authorized to administer the University Board’s academy board selection and appointment process (including a Public School Academy Board Member Questionnaire or School of Excellence Board Member Questionnaire or Strict Discipline Academy Board Member Questionnaire, as applicable, and required background checks), as provided below:

1. The University Board shall appoint initial and subsequent members of the Academy Board of Directors by formal resolution, except as prescribed by subparagraph (4) of this subparagraph (a). The CSO Director shall recommend nominees to the University Board based upon a review of the applicable Academy Board Member Questionnaire, required background checks and each nominee’s resume. Each nominee shall be available for interview by the University Board or the CSO Director. The University Board may reject any or all Academy Board nominees.
2. The Academy Board shall be provided an opportunity to nominate its subsequent members, by resolution and majority vote, except as provided herein. The Academy Board shall recommend at least one nominee for each vacancy. The Academy Board’s nominees shall submit the applicable Academy Board Member Questionnaire for review by the Ferris State University Charter Schools Office (“CSO”). If the University Board elects not to appoint any of the Academy Board’s nominees for a vacant position on the Academy Board or elects to make its own nomination(s), it may nominate and appoint an Academy Board member of its own choosing for that vacant position, or it may request additional nominees from the Academy Board.
3. An individual appointed to fill a vacancy created other than by expiration of the term shall be appointed for the unexpired term of that vacant position.
4. Under exigent conditions, and with the approval of the University Board’s Chair, the CSO Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled formal session. The

University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under the exigent conditions provision.

b. Length of Term. Each member of the Academy Board shall serve at the pleasure of the University Board. The initial terms of the members of the Academy Board shall be staggered in a manner determined by the CSO Director, but no individual member's term shall exceed a period of four (4) years. The subsequent term of each member of the Academy Board shall be for a period of four (4) years. The terms for each position shall begin on July 1st and end on June 30th of the pertinent year.

c. Number of Directors. The number of board member positions on the Academy's Board of Directors shall be seven (7). The number of board member positions shall never be fewer than five (5) nor more than seven (7), as determined from time to time by the University Board. If the Academy Board fails to attain or maintain its full membership by making appropriate and timely nominations, the University Board or the CSO Director, may deem that failure an exigent condition.

A vacancy may be left on the initial Academy Board for a parent or guardian representative to allow sufficient time for the Academy Board to interview and identify potential nominees.

d. Qualifications of Members. To be qualified to serve on the Academy Board, a person shall, among other things: (1) be a citizen of the United States; (2) be a resident of the State of Michigan; (3) submit all materials requested by the CSO including, but not limited to, the applicable Academy Board Member Questionnaire which must include authorization to process a criminal background check of the nominee; and (d) submit annually a conflicts of interest disclosure as prescribed by the CSO.

The Academy Board shall include as a member (1) at least one parent or guardian of a child attending the Academy; and (2) one professional educator, preferably a person with school administrative experience. The Academy Board shall include representation from the local community in which the Academy serves.

The members of the Academy Board shall not include (1) any member appointed or controlled by another profit or non-profit corporation; (2) Academy employees or independent contractors performing services for the Academy; (3) any current or former director, officer, or employee of an educational management company that contracts with the Academy; and (4) Ferris State University officials or employees.

e. Oath. Before beginning his/her service, each member of the Academy Board shall take and sign the constitutional oath of office before a justice, judge, or clerk of a court, or before a notary public. The Academy shall cause a copy of such oath of office to be filed with the CSO. No appointment shall be effective prior to the taking, signing and filing of the oath of public office.

f. Removal of Members. The University Board may remove an Academy Board member with or without cause at any time by notifying the affected Academy Board member. The notice shall specify the date when the Academy Board member's service ends. Any Academy Board member may also be removed by a two-thirds (2/3) vote of the Academy Board for cause.

With the approval of the University Board Chair, the CSO Director may suspend an Academy Board member's service, if in his/her judgment the member's continued presence would constitute a risk to persons or property or would seriously impair the operations of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspension made under this provision.

g. Tenure. Each member of the Academy Board shall hold office until such member's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

h. Resignation. Any member of the Academy Board may resign at any time by providing written notice to the Academy or the CSO. Notice of resignation will be effective upon receipt or at a subsequent time designated in the notice. Any Academy board member who fails to attend three (3) consecutive Academy board meetings may, at the option of the Academy Board, the University Board, or the CSO Director, be deemed to have resigned, effective at a time designated in a written notice sent to the resigning Academy board member. A successor shall be appointed as provided by the method of selection adopted by the University Board.

i. Board Vacancies. An Academy Board vacancy shall occur because of death, resignation, removal, failure to maintain United States citizenship or residency in the State of Michigan, disqualification, enlargement of the Academy Board, or as specified in the Code.

j. Compensation. An Academy Board member shall serve as a volunteer director and without compensation for his/her services. By resolution of the Academy Board, the Academy Board members may be reimbursed for their reasonable expenses incidental to their duties as an Academy Board member.

k. Current Members of the Board of Directors. The University Board re-confirms the appointments of the following persons to their existing terms set forth below as members of the Academy's Board of Directors:

WHEREAS, all public schools are subject to the leadership and general supervision of the State Board of Education; and

WHEREAS, the Legislature has authorized a form of public school designated a "strict discipline academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund; and

WHEREAS, the Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, or such agencies acting jointly, the responsibility for authorizing the establishment of strict discipline academies; and

WHEREAS, The University Board has considered the Application for the re-authorization of **CLARA B. FORD ACADEMY** (the "Academy"), considered the academic progress of students attending the Academy and its fiscal operation and has approved the re-authorization of the Academy's operation under this replacement Contract, which shall supersede the original contract (as amended) under which the Academy was established;

NOW, THEREFORE, pursuant to the Code the University Board re-authorizes the Academy pursuant to the terms and conditions of this Contract under which certain rights, franchises, privileges, and obligations of a strict discipline academy are conferred upon the Academy and the status of the Academy as a strict discipline academy in this state is confirmed. The parties agree that the granting of this Contract is subject to the following terms and conditions:

ARTICLE I

DEFINITIONS

Section 1.1 Certain Definitions. For purposes of this Contract, and in addition to the terms defined throughout this Contract, each of the following words or expressions, whenever initially capitalized, shall have the meaning set forth in this section:

(a) "Academy" means the Michigan non-profit corporation named **CLARA B. FORD ACADEMY** which is re-authorized as a strict discipline academy pursuant to this Contract.

(b) "Academy Board" means the Board of Directors of **CLARA B. FORD ACADEMY**.

(c) "Applicable Law" means all state and federal law applicable to strict discipline academies, including all rules, regulations, and orders promulgated thereunder.

(f) “Charter Schools Office” or “CSO” means the office designated by the University Board as the initial point of contact for strict discipline academy applicants and strict discipline academies authorized by the University Board. The Charter Schools Office is also the University Board’s designee for the purpose of administering the University Board’s responsibilities under the Contract. The CSO has authority to interpret the Resolution and the Policies on behalf of the University Board.

(g) “Code” means the Revised School Code, Act No. 451 of the Public Acts of 1976, as amended, being Sections 380.1 to 380.1853 of the Michigan Compiled Laws (MCL).

(h) “Conservator” means an individual appointed by the University President in accordance with Section 10.10 of these Terms and Conditions.

In approving this Contract, the University Board voluntarily exercises additional powers given to the University Board under the Code. Nothing in this Contract shall be deemed to be any waiver of the University Board's constitutional autonomy and powers and the Academy shall not be deemed to be a part of Ferris State University. If applicable, the University Board has provided to the Michigan Department of Education (MDE) the accreditation notice required under Section 502 of the Code, MCL 380.502.

Section 2.2 Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. It is organized and shall operate as a strict discipline academy and a nonprofit corporation. It is not a division or part of Ferris State University, and the Academy is not empowered to act on behalf of Ferris State University or the University Board with respect to any matter whatsoever. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other formal written agreements between the University Board and the Academy.

Section 2.3 Financial Obligations of the Academy are Separate from the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be pledged for the payment of any Academy contract, mortgage, loan or other instrument of indebtedness.

The University Board may, from time to time, amend the Resolution changing the method of selection, length of term, number of Directors, qualification of Directors, the procedure for removal of Directors and other matters pertaining to Directors. Any subsequent resolution of the University Board changing the Resolution shall be deemed incorporated into this Contract as an amendment, with like effect as though it had been approved by the Academy Board and by the University Board under Section 9.4 of Article IX hereof.

Section 3.2 University Board as Fiscal Agent for the Academy. The University Board is of receipt the fiscal agent for the Academy. As fiscal agent, the University Board assumes no responsibility for the financial condition of the Academy. The University Board is not liable for any debt or liability incurred by or on behalf of the Academy Board, or for any expenditure approved by or on behalf of the Academy Board. Except as provided in the Oversight Agreement and Article X of these Terms and Conditions, the University Board shall promptly, within ten (10) days of receipt, forward to the Academy all state school aid funds or other public or private funds received by the University Board for the benefit of the Academy. The request and the CSO Director's recommendation will be submitted by the CSO Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly-scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

Section 3.6 Authorization of Employment. The University Board authorizes the Academy to employ or contract directly with personnel according to the position information outlined in Schedule 5. An employee hired by the Academy shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy

employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy may contract with an Educational Service Provider to provide persons to perform work at the Academy so long as (a) the agreement complies with the requirements of Section 3.9 of these Terms and Conditions; (b) the Academy has first complied with the Charter Schools Office Educational Service Provider Policies, if any, as then in effect; and (c) the CSO Director has not disapproved the agreement. A copy of the agreement between the Academy and the Educational Service Provider (ESP) shall be made available by the authorizer. ESP job descriptions are included as a part of Schedule 5 of the charter contract.

Section 3.7 CSO Director Review of Certain Financing Transactions Involving Pledge of State Aid. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 *et seq.*, or (ii) direct that a portion of its State School Aid Payments be forwarded by the University acting as fiscal agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the CSO Director; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If no response is made during that period, this transaction shall be considered not to have been disapproved. If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

Section 3.8 University Board Contract Authorization Process.

(a) Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at that end of the Contract Term without any further action of either the Academy or the University Board.

(b) An Academy seeking a renewal of its Contract shall make a formal request to the Charter Schools Office prior to the end of the current Contract term through the Reauthorization Application. Reauthorization packets are sent to academies and Boards of Directors in the beginning of the final contractual academic year. The Charter Schools Office shall provide to the Academy a description of the timeline and process by which the Academy may be considered for issuance of a new contract. The timeline and process for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for the issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not issue a new contract. The University Board, at its own discretion, may change its timeline and process for issuance of a new contract at any time, and any such changes shall take effect automatically without the need for any amendment to the Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract, consider extending the contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

(c) A “reauthorization” shall generally consist of a contractual renewal period of three (3) or more years as granted by the University Board. In lieu of reauthorization, the granting of a contractual extension of a period of generally three (3) years or less will be utilized in those situations in which there is not as great a degree of confidence in the performance of the Academy as in the case of a reauthorization. Appropriate conditions may be placed upon an extension of contract to achieve improvement and performance.

(d) The decision to recommend reauthorization or contract extension to the FSU Board of Trustees shall be determined solely by the CSO Director. Such decisions shall be made in consultation with appropriate CSO staff, visitation reports, and other relevant data for the contractual period or extension period. Academic achievement for all groups of pupils as measured by assessments and other objective criteria shall be the most important factor in the decision whether to reauthorize or extend a contract.

Section 3.9 CSO Director Review of ESP Agreement.

(a) The Academy may enter into an ESP Agreement with an Educational Service Provider to contract out its administrative, educational, management, and/or instructional functions and personnel. For purposes of this Contract, an employee leasing agreement shall be considered an ESP Agreement, and an employee leasing company shall be considered an ESP. The ESP policies of the CSO are incorporated into and deemed part of this Contract. The CSO may, from time to time during the term of this Contract, amend the ESP policies and the amended policies shall apply to the Academy in accordance with Section 12.16 of the Contract, without any amendment under Article IX of this Contract. If the Academy proposes to enter into a new or renewal ESP Agreement, or to extend the term of an existing ESP Agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed ESP Agreement and a detailed description of the means by which the Educational Service Provider will be held accountable to the Academy Board for the day-to-day performance of the Educational Service Provider’s obligations under the ESP Agreement for review by the CSO Director. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement and detailed description in compliance with this Section, the CSO Director

shall notify the Academy if the proposed ESP Agreement is disapproved (the CSO Director may disapprove the proposed ESP Agreement if the ESP Agreement is contrary to this Contract or Applicable Law). If no response is made during that period, the Agreement shall be considered not have been disapproved. If the proposed ESP Agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No ESP Agreement may be entered into that is disapproved by the CSO Director. By not disapproving a proposed ESP Agreement, the CSO Director is in no way giving approval of the proposed ESP Agreement, or any of the terms or conditions thereof. Any subsequent amendment to an ESP Agreement shall be submitted for review by the CSO Director in the same form and manner as a new ESP Agreement.

(b) An ESP Agreement:

(i) may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy;

(ii) shall contain a representation and warranty by the Educational Service Provider to the Academy that no non-competition, no-hire, or similar provisions are included in the Educational Service Provider's employment contracts or other agreements with instructional staff that perform work at the Academy, nor will any such provisions be included in any such contracts or agreements for the duration of the ESP Agreement;

(iii) shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract;

(iv) shall not be for a term extending beyond the term of the Contract;

(v) shall not contain terms inconsistent with the CSO's Educational Service Provider Policies, if any, in effect at the time that the ESP Agreement is entered into, renewed or extended; and

(vi) shall contain the following provisions:

"Indemnification of Ferris State University. The parties acknowledge and agree that the Ferris State University Board of Trustees, Ferris State University and its members, officers, employees, agents or representatives are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the parties hereby promise to indemnify and hold harmless Ferris State University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives from all claims, demands, or liability, including attorney fees, and related expenses, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole

negligence of Ferris State University, which arise out of or are in any manner connected with Ferris State University Board of Trustees' approval of the Academy's application, Ferris State University Board of Trustees' consideration of or issuance of a Contract, the Academy Board's or the Educational Service Provider's preparation for and operation of the Academy, or which are incurred as a result of the reliance by Ferris State University, Ferris State University Board of Trustees or its members, or their respective officers, employees, agents or representatives, upon information supplied by the Academy Board or the Educational Service Provider, or which arise out of the failure of the Academy Board or the Education Service Provider to perform its obligations under the Contract or Applicable Law. The parties expressly acknowledge and agree that Ferris State University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives, or any of them, may commence legal action against either party to enforce its rights as set forth in this Agreement."

"Agreement Coterminous with Academy's Contract; Reconstitution. If:

- (i) the Academy's Contract issued by the Ferris State University Board of Trustees is suspended, revoked or terminated; or
- (ii) the charter contract is not reauthorized or extended to the Academy after expiration of the Contract;
- (iii) termination of the ESP Agreement is required by the University in connection with reconstitution of the Academy;"

"Compliance with Academy's Contract. The Educational Service Provider agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Academy's Contract issued by Ferris State University Board of Trustees. The provisions of the Academy's Contract shall supersede any competing or conflicting provisions contained in this Agreement."

"Compliance with Section 503c. On an annual basis, the ESP agrees to provide the Academy Board with the same information that a school district is required to disclose under Section 18(2) of the State School Aid Act of 1979, MCL 380.1618, for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information, the Academy Board shall make the information available on the Academy's website home page, in a form and manner prescribed by the Michigan Department of Education. The defined terms in Section 503c of the Code, MCL 380.503c, shall have the same meaning in this agreement."

Section 3.10 Certain Other Transactions Requiring Review by the CSO Director. If the Academy desires to enter into a purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, or (ii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable),

submit the same for review and comment by the University Charter Schools Office. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement, the CSO Director shall notify the Academy if the proposed agreement is disapproved (the CSO Director may disapprove the proposed agreement in his or her sole discretion). If no response is made during that period, the transaction shall be considered not to have been disapproved. If the proposed agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or other party to the agreement, would cause such disapproval to be deemed withdrawn. No agreement described in this Section may be entered into that is disapproved by the CSO Director.

ARTICLE IV

Nothing in this Section shall be deemed to diminish or enlarge the civil and political rights, privileges and capacities of any person on account of his or her religious belief.

Section 6.12 Reporting Student Performance Levels. The Academy shall provide the CSO with full access to the State of Michigan secured student performance data site. Unless otherwise directed by the CSO, the Academy shall furnish the CSO Director with:

(a) An assessment of student performances at the end of academic periods or at such other times as the CSO deems appropriate; and

(b) An objective evaluation of student performances and the Academy's operations and procedures, not less frequently than at three (3) year intervals or at such other times as the CSO Director may otherwise request. The evaluation shall be done by a visitation team selected by the CSO. The visitation team shall include members of the CSO staff, and may include outside evaluators selected by the CSO in its sole discretion. All expenses of the visitation team shall be borne by the CSO. The methodology to be used for the evaluation shall be shared with the Academy Board of Directors prior to the evaluation visit. The visitation team shall compile a comprehensive report for presentation to the Academy Board and posted on the CSO website. Such evaluation report may constitute grounds for the University Board to continue, suspend, terminate or revoke the Contract, or not issue a new Contract at the end of the term of the Contract, or reconstitution of the Academy according to Applicable Law.

Section 6.13 Method for Monitoring Academy's Compliance with Applicable Law and Performance of its Contractual Educational Goals. The Academy shall perform the compliance certification duties required by the University Board and outlined in the Oversight Agreement set

forth as Schedule 4. In addition to the University Board's oversight responsibilities and other reporting requirements set forth in this Contract, the Academy's compliance certification duties shall serve as the method for monitoring the Academy's compliance with Applicable Law and its performance in meeting its educational goals.

Section 6.14 Matriculation Agreements. Matriculation agreements shall be subject to the requirements and approval procedures in Schedule 7e. Until the matriculation agreement is reviewed and not disapproved, the Academy is prohibited from granting an enrollment priority to any student pursuant to the matriculation agreement.

Section 6.15 Posting of Accreditation Status. The Academy shall post notices to the Academy's homepage of its website disclosing the accreditation status of each school as required by the Code.

Section 6.16 New Strict Discipline Academies Located Within the Boundaries of a Community District. If the Academy is a new strict discipline academy and either of the circumstances listed below in (a) or (b) apply to the Academy's proposed site(s), the Academy represents to the University Board, intending that the University Board rely on such representation as a precondition to issuing this Contract, that the Academy has a substantially different governance, leadership and curriculum than the public school previously operating at the site(s):

(a) The Academy's proposed site is the same location as a public school that (i) is currently on the list under Section 1280c(1), MCL 380.1280c(1), or Section 1280g(3), MCL 380.1280g(3), as applicable; or (ii) has been on the list under MCL 380.1280c(1) or MCL 380.1280g(3), as applicable, during the immediately preceding three (3) years.

(b) The Academy's proposed site is the same location of another public school academy, urban high school academy, school of excellence or strict discipline academy whose contract was revoked or terminated by an authorizing body under the applicable part or section of the Code.

ARTICLE VII

TUITION PROHIBITED

Section 7.1 Tuition Prohibited; Fees and Expenses. The Academy shall not charge tuition. The Academy may impose fees and require payment of expenses for activities of the Academy where such fees and payments are not prohibited by law.

ARTICLE VIII

COMPLIANCE WITH APPLICABLE LAWS

Section 8.1 Compliance with Applicable Law. The Academy shall comply with all applicable state and federal laws, including, but not limited to, to the extent applicable, the Code, the State School Aid Act of 1979, the Open Meetings Act, The Freedom of Information Act ("FOIA"), the Public Employees Relation Act, the Uniform Budgeting and Accounting Act, the Revised Municipal Finance Act of 2001, the Elliott-Larsen Civil Rights Act, the Michigan

Handicappers' Civil Rights Act, and Subtitle A of Title II of the Americans with Disabilities Act of 1990, Public Law 101-336, 42 USC and 12101 *et seq.* or any successor law. Additionally, the Academy shall comply with other state and federal laws which are applicable to strict discipline academies. Nothing in this Contract shall be deemed to apply to any other state or federal law to the Academy.

ARTICLE IX

AMENDMENT

Section 9.1 Amendments. The University Board and the Academy acknowledge that the operation and administration of a strict discipline academy and the improvement of educational outcomes over time will require appropriate amendment of this Contract. In order to assure a proper balance between the need for independent development of the Academy and the statutory responsibilities of the University Board as an authorizing body, the parties have established a flexible process for amending this Contract.

Section 9.2 Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The proposal will be made to the University Board through the CSO Director. The University Board shall review, consider and vote upon all changes and amendments to this Contract that are proposed by the Academy.

Section 9.3 Process for Amendment Initiated by the University Board. The University Board, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The Academy Board may delegate to an officer of the Academy the review and negotiation of changes or amendments to this Contract. The Contract shall be amended as requested by the University Board upon a majority vote of the Academy Board.

Section 9.4 Final Approval of Amendments. Amendments to this Contract take effect only after they have been approved by the Academy Board and by the University Board.

Section 9.5 Change in Existing Law. If, after the effective date of this Contract, there is a change in Applicable Law which alters or amends the responsibilities and obligations of either the Academy Board or the University Board, this Contract shall be deemed altered or amended to reflect the change in existing law as of the effective date of such change without action by either party; however, the University Board, acting through the CSO, may provide written notice of the change to the Academy. To the extent possible, the responsibilities and obligations of the Academy Board and the University Board shall conform to and be carried out in accordance with the change in Applicable Law.

Section 9.6 Partnership Agreement. If an Academy site is on the list of lowest performing schools prepared by the Michigan Department of Education (MDE), and the Superintendent proposes a Partnership Agreement with the Academy, the Academy shall work with the CSO to finalize an agreement that is acceptable to the MDE, the Academy and the CSO. The Partnership Agreement shall be incorporated into this Contract by amendment pursuant to

Article IX of these Terms and Conditions and shall be included as a Schedule. The CSO shall propose to the University Board any amendments to this Contract that are needed to ensure the Partnership Agreement is consistent with this Contract.

Section 9.7 Emergency Action on Behalf of University Board. Notwithstanding any other provision of this Contract to the contrary, the contents of this Section shall govern in the event of an emergency situation that arises between meetings of the University Board. An emergency situation shall be deemed to occur if the University President, in his or her sole discretion, determines that the facts and circumstances warrant that emergency action take place before the next meeting of the University Board. Upon the determination that an emergency situation exists, the University President may temporarily take action on behalf of the University Board with regard to the Academy or the Contract, so long as such action is in the best interest of the University Board and the University President consults with the University Board Chairperson prior to taking the intended actions. When acting during an emergency situation, the University President shall have the authority to act on behalf of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board; or (b) the next meeting of the University Board. The University President shall immediately report such action to the University Board Chairperson for confirmation at the next meeting so that the emergency action continues or, upon confirmation by the University Board, becomes permanent.

ARTICLE X

TERMINATION, SUSPENSION AND REVOCATION

Section 10.1 Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board's request for termination shall be made to the Charter Schools Director not less than six (6) calendar months in advance of the Academy's proposed effective date of termination. Upon receipt of an Academy request for termination, the Charter Schools Director shall present the Academy Board's request for termination to the University Board. A copy of the Academy Board's resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board's request for termination. Upon receipt of the Academy Board's request for termination, the University Board shall consider and vote on the proposed termination request. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.2 Automatic Amendment of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.2, if the University Board is notified by the Michigan Department of Education (MDE) that an Academy site is subject to closure under Section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the

current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy. Following receipt of the State's Automatic Closure Notice, the Charter Schools Director shall forward a copy of the notice to the Academy Board and may request a meeting with Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice including the granting of any hardship exemption by the MDE rescinding the State's Automatic Closure Notice ("Pupil Hardship Exemption"), shall be directed to the MDE, in a form and manner determined by the MDE.

If the MDE rescinds the State's Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to the Charter Schools Office a proposed Contract amendment incorporating the MDE's school improvement plan, if applicable, for the identified site(s).

If the Michigan Department of Education elects not to issue a Pupil Hardship Exemption and the Charter Schools Director determines, in his or her discretion, that the closure of one or more sites as directed by the MDE creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Charter Schools Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter "Economic Hardship Termination"). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board's revocation procedures set forth in Section 10.4 do not apply to an automatic termination initiated by the State's Automatic Closure Notice or an Economic Hardship Termination under this Section.

Section 10.3 Grounds and Procedures for University Termination of Contract. The University Board, in its discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; or (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Charter Schools Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.2, the revocation procedures in Section 10.4 shall not apply.

Section 10.4 Statutory Grounds for Revocation. In addition to the grounds for an automatic revocation of the Contract as set forth in Section 10.2, this Contract may also be revoked

by the University Board upon a determination by the University Board, pursuant to the procedures set forth in Section 10.6, that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or meet the educational goals set forth in the Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.5 Other Grounds for University Board Revocation. In addition to the statutory grounds for revocation set forth in Section 10.4 and the grounds for an automatic revocation set forth in Section 10.6, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy is insolvent, has been adjudged bankrupt, or has operated for two (2) or more school fiscal years with a fund balance deficit;
- (b) The Academy has insufficient enrollment to successfully operate a strict discipline academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (c) The Academy defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract;
- (d) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Consumer and Industry Services, Bureau of Commercial Services without first obtaining the University Board's approval;
- (e) The University Board or its designee discovers grossly negligent, fraudulent or criminal conduct by the Academy's applicant(s), directors, officers, employees or agents in relation to their performance under this Contract; or
- (f) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Charter Schools Office or the University Board in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.6 University Board Procedures for Revoking Contract. Except for the automatic revocation process set forth in Section 10.2, or the termination of Contract by the University Board pursuant to Section 10.3, the University Board's process for revoking the Contract is as follows:

(a) Notice of Intent to Revoke. The CSO Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

(b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the CSO Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response shall also contain a description of the Academy Board's plan and time line for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the CSO Director prior to a review of the Academy Board's response.

(c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the CSO Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the CSO Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the CSO Director shall develop a plan for correcting the non-compliance ("Plan of Correction"). In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the CSO Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.

(d) Plan of Correction May Include Conditions to Satisfy University Board's Contract Reconstitution Authority. As part of the Plan of Correction, the CSO Director may reconstitute the Academy in an effort to improve student educational performance and to avoid interruption of the educational process. An attempt to improve student educational performance may include, but is not limited to, one of the following actions: (i) removal of one (1) or more members of the Academy Board; (ii) termination of at-will board appointments of one or more Academy Board members; (iii) withdrawal of the Academy's authorization to contract with an ESP; (iv) a requirement that the Academy Board terminate the existing ESP Agreement; or (v) the appointment of a new Academy Board or a trustee to take over operations of the Academy. The CSO shall notify the Superintendent of Public Instruction of any Plan of Correction that includes a reconstitution of the Academy to ensure that the Academy is not included on the list of school buildings subject to automatic closure.

(e) Request for Revocation Hearing. The CSO Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the CSO Director determines that any of the following has occurred:

(i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);

(ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;

(iii) the Academy Board's response admits violations of the Contract or Applicable Law which the CSO Director deems cannot be remedied or cannot be remedied in an appropriate period of time, or for which the CSO Director determines that a Plan of Correction cannot be formulated;

(iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;

(v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);

(vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or

(vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The CSO Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

(f) Hearing before University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the University Charter Schools Office and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the CSO Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the CSO Director and shall not last more than three (3) hours. The hearing shall be transcribed by a court reporter and the cost of the court reporter shall be divided equally between the University and the Academy. The CSO Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the CSO Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this

sub-section. A copy of the Hearing Panel's recommendation shall be provided to the University Charter Schools Office and the Academy Board at the same time that the recommendation is sent to the University Board.

(g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular formal session, the University Board shall consider the Hearing Panel's recommendation at its next regular formal session and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special formal session to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the University Charter Schools Office, the Academy Board and the Michigan Department of Education.

(h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.

(i) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a recommendation is made by the Hearing Panel to revoke the Contract, or a decision by the University Board to revoke the Contract, may be withheld by the University Board or returned to the Michigan Department of Treasury upon request.

Section 10.7 Contract Suspension. The University Board's process for suspending the Contract is as follows:

(a) Charter Schools Office Director Action. If the CSO Director determines that probable cause exists to believe that the Academy Board (i) has placed staff or students at risk; (ii) is not properly exercising its fiduciary obligations to protect and preserve the Academy's public funds and property; (iii) has lost its right to occupancy of the physical facilities described in Schedule 6, and cannot find another suitable physical facility for the Academy prior to the expiration or termination of its right to occupy its existing physical facilities; (iv) has failed to secure or has lost the necessary fire, health, and safety approvals as required by this Contract; (v) has willfully or intentionally violated this Contract or Applicable Law; or (vi) has violated Section 10.4(d), the CSO Director may immediately suspend the Contract. A copy of the suspension notice, setting forth the grounds for suspension, shall be sent to the Academy Board and to the Hearing Panel. If this subsection is implemented, the notice and hearing procedures set forth in Section 10.6 shall be expedited as much as possible.

(b) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a decision by the Charter Schools Director to suspend the Contract, may be retained by the University Board for the Academy until the Contract is reinstated, or may be returned to the Michigan Department of Treasury upon the State's request.

(c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the CSO Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in Section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the time line for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Charter Schools Office and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with Section 10.6(f) through (h).

Section 10.8 Venue; Jurisdiction. The parties agree that all actions or proceedings arising in connection with this Contract will be tried and litigated only in the Circuit Court of Mecosta County, Michigan, the Michigan Court of Claims or the Federal District Court for the Western District of Michigan. The parties hereby irrevocably accept for themselves and in respect of their property, generally and unconditionally, the jurisdiction of such courts. The parties irrevocably consent to the service of process out of any such courts in any such action or proceedings by the mailing of copies thereof by registered or certified mail, postage prepaid, to each such party, at its address set forth for notices in this Contract, such service to become effective ten (10) days after such mailing. The parties irrevocably waive any right they may have to assert the doctrine of forum non conveniens or to object to venue to the extent any proceeding is brought in accordance with this Section.

Section 10.9 Conservator; Appointment by University President. Notwithstanding any other provision of the Contract, in the event that the health, safety and welfare of Academy students, property or funds are at risk, the University President, after consulting with the University Board Chairperson, may appoint a person to serve as the Conservator of the Academy. Upon appointment, the Conservator shall have all the powers of a Board of Directors of a strict discipline academy and act in the place and stead of the Academy Board. The University President shall appoint the conservator for a definite term which may be extended in writing. During the appointment, the Academy Board members are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. During their appointment, the Conservator shall have the following powers:

(a) take into his or her possession all Academy property and records, including financial, board, employment and student records;

(b) institute and defend actions by or on behalf of the Academy;

(c) continue the business of the Academy including entering into contracts, borrowing money, and pledging, mortgaging, or otherwise encumbering the property of the Academy as security for the repayment of loans. However, the power shall be subject to any provisions and restrictions in any existing credit documents;

(d) hire, fire and discipline employees of the Academy;

(e) settle or compromise with any debtor or creditor of the Academy, including any taxing authority;

(f) review all outstanding agreements to which the Academy is a party and to take those actions which the Academy Board may have exercised to pay, extend, rescind, renegotiate or settle such agreements as needed; and

(g) perform all acts necessary and appropriate to fulfill the Academy's purposes as set forth under the Code or this Contract.

Section 10.10 State Board of Education Revocation Procedures. As required by the Code, any legal remedy adopted by the State Board of Education shall automatically apply to this Contract. If any legal remedy adopted by the State Board of Education alters or supersedes existing provisions of this Contract, the remedy of the State Board of Education shall apply.

Section 10.11 Emergency Action on Behalf of University Board. Notwithstanding any other provision of this Contract to the contrary, the contents of this Section shall govern in the event of an emergency situation that arises between meetings of the University Board. An emergency situation shall be deemed to occur if the University President or their designee, in his or her sole discretion, determines that the facts and circumstances warrant that emergency action take place before the next meeting of the University Board. Upon the determination that an emergency situation exists, the University President or his or her designee may temporarily take action on behalf of the University Board with regard to the Academy Board or any aspect of the Contract, so long as such action is in the best interests of the University Board. When acting during an emergency situation, the University President or their designee shall have the authority to act in place of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board, or (b) the next meeting of either the University Board or University Board Executive Committee. The University President shall immediately report such action to the University Board for confirmation at the next meeting of either the University Board or the University Board Executive Committee. The University Board or the University Board Executive Committee may confirm the emergency action taken by the University President or their designee so that the emergency action continues or, upon confirmation by the University Board, becomes permanent.

Section 10.12 Academy Dissolution Account. If the University Board terminates, revokes or fails to issue a new Contract to the Academy, the Charter Schools Director shall notify the Academy that, beginning thirty (30) days after notification of termination by either party or Academy Board, the University Board may direct up to \$10,000 from each subsequent State School Aid Fund payment, not to exceed a combined total of \$30,000, to a separate Academy account ("Academy Dissolution Account") to be used exclusively to pay the costs associated with the wind up and dissolution responsibilities of the Academy. Within five (5) business days of the Charter Schools Director's notice, the Academy Board Treasurer shall provide the Charter Schools Director, in a form and manner determined by the CSO, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds

shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind up and dissolution expenses have been satisfied.

ARTICLE V

MEETINGS

Section 1. Annual Organizational and Regular Meetings. The Academy Board shall hold an annual organizational meeting each year prior to the first regular meeting of the year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. Prior to October 15th of each year, the Academy Board shall publicly present the Academy's Annual Report. The Academy Board shall provide notice of the annual organizational and all regular meetings as required by the Open Meetings Act. The regular meeting schedule may be altered, or regular meeting rescheduled, only by action of the Directors and with prior approval of the CSO.

Section 2. Special Meetings. A special meeting, which is a meeting in addition to a regular monthly meeting, may be called (a) by the President, or (b) by the Directors acting at a duly noticed and convened meeting. The place of the special meeting shall be the same place as the place designated for the holding of regular monthly meetings, or such other place as directed by the President or Directors. The Academy Board shall have the power to appoint any person to perform the duties of an officer whenever for any reason it is impractical for such officer to act personally. Such acting officer so appointed shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No contract entered into, by or on behalf of the Academy Board, shall in any way bind Ferris State University or impose any liability on Ferris State University, its trustees, officers, employees or agents.

Section 2. Loans. No loans shall be contracted on behalf of the corporation and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Academy Board. Such authority may be general or confined to specific instances. No loan, advance, overdraft, or withdrawal by an officer or Director of the corporation, other than in the ordinary and usual course of the business of the Academy, shall be made or permitted. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Ferris State University or impose any liability on Ferris State University, its trustees, officers, employees or agents.

Such proxy or consent in respect to any shares or other securities issued by any other corporation and owned by this corporation shall be executed in the name of this corporation by the President, the Secretary or the Treasurer of this corporation without necessity of any authorization by the Academy Board, affixation of corporate seal or countersignature or attestation by another officer. Any person or persons designated in the manner above stated as the proxy or proxies of this corporation shall have full right, power and authority to vote the shares or other securities issued by such other corporation and owned by this corporation the same as such shares or other securities might be voted by this corporation. This section shall in no way be interpreted to permit the corporation to invest any of its surplus funds in any shares or other securities issued by any other corporation. This section is intended to apply, however, to all gifts, bequests or other transfers of shares or other securities issued by any other corporation which are received by the corporation.

Section 6. Contracts Between Corporation and Related Persons. Any contract or proposed contract between a director, officer or employee of the Academy and the Academy shall be subject to Public Act 317 of 1968, MCL 50.321, *et seq.*, which governs contracts of public servants within the public entities in which they serve. The corporation may purchase and maintain insurance on behalf of any such person against any liability asserted against and incurred by such person in any such capacity or arising out of his status as such, whether or not the corporation would have power to indemnify such person against such liability under the preceding sentence. The corporation may, to the extent authorized from time to time by the Board, grant rights to indemnification to any employee or agent of the corporation to the fullest extent provided under the laws of the State of Michigan as they may be in effect from time to time.

Bottom-Line Targets

Improvement in academic growth and student achievement, as measured by state and nationally normed assessments, is the most important factor in determining an Academy's progress. However, the Ferris State University CSO may also consider *Bottom-Line Targets* as an alternative measure to monitor progress.

If an Academy fails to meet the specified number of target measures for each goal, they will need to identify *Bottom-Line Targets* to show academic growth and student achievement through alternative measures. These alternative measures should be created as interim benchmarks that will ultimately lead to compliance with the Contractual Educational Goals. *Bottom-Line Targets* are measures that must be achieved within the timeframe of the Charter Contract, or sooner if applicable, in order to be recommended to the Ferris State University Board of Trustees for contract reauthorization.

Any academy required to identify *Bottom-Line Targets* will work collaboratively with the CSO to develop an Academic Monitoring Plan. The Academic Monitoring Plan will include at least (2) *Bottom-Line Targets* that will be identified and measured using a predetermined list of research-based, CSO-approved metrics. By meeting the *Bottom-Line Targets*, an academy will meet the minimum requirements of this policy.

Strict Discipline and Alternative Education Academies

Academies designated as Strict Discipline Academies or Alternative Education Academies, as per the Michigan School Code, may be exempted from certain parts of these requirements due to their unique nature. In all cases, specific educational measures, targets and metrics will be mutually developed and agreed upon by the Academy and FSU CSO and shall be attached to the contract.

New Academies

For the first three years of operation, new academies will be expected to increase growth towards achievement. Goal #1 will be used for all new K-8 schools. The first target in the high school table will be used for all new schools serving 9th-12th grade students.

OUR MISSION

Clara B Ford Academy's mission is to engage our students with a multifaceted approach offering new beginnings aimed at recovery, change, and hope in a safe, trauma-informed environment that will enable them to function as contributing adults with twenty-first century skills.

CURRICULUM OVERVIEW

Clara B. Ford Academy (CBFA) is a public middle/high school serving grades 5 - 12. CBFA follows the requirements of the Michigan Merit Curriculum by using both traditional and alternative instructional delivery methods. In 2020-2021, CBFA purchased new curriculum materials in each academic content area to replace the school's original outdated curriculum materials. Each curriculum content area purchased has a virtual component to assist with our students having access to their curriculum online for both classroom and remote learning. Our students stay abreast of courses online to prepare them for college and/or career opportunities that encompass a virtual requirement. In 2021-22, we redesigned our Curriculum Maps/Pacing Guides to reflect the Michigan Merit Curriculum Priority Standards as identified by Wayne RESA.

To continue our efforts to meet our students' academic needs as identified through our School Improvement process, we redesigned our Master Schedule in 2021-22 for the purpose of team teaching as a priority in all Math and ELA classes with the content area and special education instructors as the co-teachers. These classes also include co-teaming with the Vista staff for the purpose of small flexible grouping of students in the classroom. During small group instruction, our team works to address each student's individual academic needs.

An after-school credit recovery program has been implemented to assist students in obtaining the required Michigan Merit Curriculum credits needed for graduation. Students are also allowed to use the credit recovery program to move forward and possibly graduate earlier than their anticipated date of completion. CBFA has partnered with Wayne RESA to bring after school CTE programs to our students where they may obtain certifications in various trades.

At CBFA, we understand that our students spend a significant amount of time in school and that their feelings about the school experience can have a big impact on their daily lives. Students not only need to feel safe at school but should also feel comfortable in a supportive environment regardless of their circumstance or background. We know that persistent positive school climate and culture is linked to positive student development, academic achievement,

increased student attendance, and positive relationships between students and adults. Therefore, our school begins each day with a Social and Emotional lesson that develops a foundation for a positive learning community that enhances the student's ability to succeed in school, life, college, and the workforce.

Michigan Merit Curriculum (MMC) High School Graduation Requirements (18 Credits)

CBFA follows the MMC requirements for graduation. Successful completion of these graduation requirements is necessary to earn a diploma. Students with disabilities are assisted in meeting these graduation requirements as appropriate and as specified in their Individualized Education Program ("IEP"). Students with disabilities who are unable to meet these graduation requirements, or for whom these requirements are deemed inappropriate, may be assigned to a personal curriculum.

All students will be tested on the NWEA Reading and Math. NWEA is a research-based online assessment tool for measuring student achievement and growth in K-12 math, reading and language usage. The teachers will use NWEA to target instruction for each student at their grade level. The NWEA has also partnered with online tools (Khan Academy & Exact Path) that will personalize learning so students get support tailored to their needs whether on, above, or below grade level. The students will be tested in the fall, winter and spring. The teaching team will use the NWEA results in order to determine the student's instructional readiness, plan for differentiated instruction, set goals with the students, and monitor the progress toward those goals. Students will also take all Michigan State required assessments.

Michigan State Assessments

Michigan has an innovative and comprehensive system of assessments to measure student achievement in learning of the state content standards. These standards outline what educators believe students should know and be able to do in certain subjects and grade levels to be career and/or college-ready upon high school graduation.

Michigan Academic Standards and Content Expectations

CBFA follows the State of Michigan's academic standards for content learning expectations. The instructional staff uses the content expectations as a framework for curriculum development and instructional resources. The State's standards also provide a platform for the State assessments, which are used to measure how well schools are providing opportunities for all students to learn the content outlined by the standards.

Wayne RESA Priority Standards

We at CBFA have adopted the Wayne RESA Priority Standards. Priority Standards are a carefully selected subset of the total list of the grade-specific and course-specific standards within each content area that students must know and be able to do by the end of each school year in order to be prepared for the standards at the next grade level or course.

CBFA Core Academic and Social Emotional Curriculums

English Language Arts

The ELA standards define the general, cross-disciplinary literacy expectations that must be met for students to be prepared to enter college and workforce training programs ready to succeed. The grade-specific standards define end-of-year expectations and a cumulative progression designed to enable students to meet college and career readiness expectations no later than the end of high school. Students advancing through the grades are expected to meet each year's grade specific standards, retain or further develop skills and understandings mastered in preceding grades.

Rewards Literacy Program

Rewards is a research based series of short-term reading and writing intervention materials specifically designed for struggling learners in grades 5-12. Key features include:

- Decoding multisyllabic words
- Identifying and understanding prefixes and suffixes
- Increasing word and passage fluency
- Building academic vocabulary
- Deepening comprehension
- Building self-confidence in reading
- Rapid-paced, engaging, and explicit instruction for teachers
- Constant teacher-student interaction

Exact Path Reading

Exact Path is an online intervention tool that creates an individualized learning path that is aligned to Michigan standards. Students who use Exact Path are proven to demonstrate positive, statistically significant growth. Students work on their individual reading lessons in Exact Path during their independent work time in the classroom. The ELA instructors monitor the students' progress frequently. The students receive positive reinforcements/incentives through weekly challenges measured by the number of skills mastered in reading.

Mathematics

Mathematical understanding and skills are essential elements for meaningful participation in the global information society. US expectations in mathematics for high school students have not kept pace with expectations in high-achieving countries around the world. And, expectations about who can do mathematics in the US have led to inequitable and unacceptably low opportunities to learn for students living in poor and urban communities. In Michigan, the K-8 Mathematics Grade Level Expectations represent a major step forward in raising expectations in mathematics for all students. The high school expectations assume the ambitious foundation of the K-8 GLCEs and are intended to equip all students with a solid background for continued postsecondary study in any area, as well as with skills and knowledge essential for the workplace. It is essential to hold high expectations in mathematics for all students for completion of high school, whether they will enter the workforce or go on to postsecondary education.

The high school mathematics content expectations are organized in four strands: Quantitative Literacy and Logic, Algebra and Functions, Geometry and Trigonometry, and Statistics and Probability. The topics within each strand have been arranged to show mathematical growth and to illustrate mathematical trajectories of ideas that build on one another, when possible.

McGraw Hill and Houghton Mifflin Math Programs

The McGraw Hill and Houghton Mifflin Math programs are research based programs that align with our state content standards in grades 5-12.

Exact Path Math

Exact Path is an online intervention tool that creates an individualized learning path that is aligned to Michigan standards. Students who use Exact Path are proven to demonstrate positive, statistically significant growth. Students work on their individual reading lessons in Exact Path during their independent work time in the classroom. The Math instructors monitor the students' progress frequently. The students receive positive reinforcements/incentives through weekly challenges measured by the number of skills mastered in math.

Science

The science content standards cover every grade and every scientific discipline, setting expectations for what students should know and be able to do in science. These standards are based on a "three-dimensional" learning that refers to the thoughtful and deliberate integration of three distinct dimensions: Scientific and Engineering Practices (SEPs), Disciplinary Core Ideas (DCIs), and Crosscutting Concepts (CCCs). Through 3D learning, the standards emphasize that science is not just a series of isolated facts. This awareness enables students to view science more as an interrelated world of inquiry and phenomena rather than a static set of science disciplines. Students are engaged and given opportunities to demonstrate their thinking and learning.

McGraw Hill and Houghton Mifflin Science Programs

The McGraw Hill and Houghton Mifflin Science programs are research based programs that align with our state content standards in grades 5-12.

Social Studies

It is in the K-12 social studies classrooms that the youth comprising our future will learn about civil discourse, the history of our families, schools, communities, state, nation and world, and how to be a productive member of society. Inquiry is at the heart of social studies. It is through identification of questions and problems, studying various disciplinary lenses, learning to use and evaluate sources and evidence, and communicating possible conclusions that students can be prepared to face the challenges of the modern world. Social studies is composed of deep and enduring understandings, concepts, and skills from the disciplines. From studying questions like "Who makes up a community?" To grapple with bigger issues like "Can one person change the world?", the acquisition of both content knowledge and skills is essential. Social studies

emphasizes skills and practices as preparation for democratic decision making. Strong content knowledge, like the standards outlined in the Michigan Social Studies Standards, is only one part of preparing students for life beyond the walls of a school. That content knowledge must be coupled with strong, foundational skills that prepare students to navigate a complex and ever-changing world. Social studies education should have direct and explicit connections to other standards, both local and national. The Michigan Social Studies Standards outline content that can be further developed at the local level with the addition of local examples. By including portions of the C3 Framework alongside Michigan's revised standards, districts now have a blueprint for the integration of literacy, social studies content, and other disciplines such as science, art, and the humanities.

McGraw Hill US History, World History and Civics & Econ Programs

The McGraw Hill social studies programs are research based programs that align with our state content standards in grades 5-12.

Social and Emotional Learning

Social-emotional learning (SEL) is the process of developing the self-awareness, self-control, and interpersonal skills that are vital for school, work, and life success. SEL is a methodology that helps students of all ages to better comprehend their emotions, to feel those emotions fully, and demonstrate empathy for others. The five SEL competencies (self-awareness, self-management, responsible decision making, social awareness, and relationship skills), are vital to the teaching and understanding of social and emotional learning at school.

School-Connect SEL Program

School-Connect is a research based SEL program. Students who feel connected to school and their teachers are more likely to attend class, enjoy school, and perform well academically. Conversely, those who feel anonymous, unsafe, or unsupported at school are more likely to disengage both socially and academically. Research bears this out:

- By high school, four in 10 students have become chronically disengaged from school (Busteed, 2013)
- A survey of high school dropouts found top reasons for not finishing school were: a lack of connection to school, feeling bored and unmotivated, academic challenges, and real-world events (Bridgeland et al., 2006)
- School culture affects all students. Many intellectually capable students under-perform to avoid peer rejection, while other students act out to gain peer support (Bishop et al., 2004; Ford et al., 2008)

As students enter high school, they face increased academic rigor and have fewer social support. For the first time, their academic record will affect their post-high school

opportunities. Many struggle in this more demanding, high-stakes environment, and need special attention during this critical period. Research highlights this need as well:

- School-connectedness is an important protective factor against emotional distress, violence, substance use, academic apathy, and dropping out (Bond et al., 2007; Resnick et al., 1997)
- Student's grades are most likely to suffer in the ninth grade, and most students who fail to progress directly to tenth grade never recover. In one study, up to 40% of ninth-grade students in cities with the highest dropout rates repeat the ninth grade, but only 10% to 15% of those repeaters go on to graduate (Kennelly & Monrad, 2007)
- Nationally, 15% of Caucasian youth, 24% of Latino youth, and 32% each of African-American and Native American youth fail to graduate high school in four years (U.S. Department of Education, 2012)
- Students need practice in skills essential to school and workplace success. Creating smaller, more collaborative and personalized learning environments increases the percentage of freshman progressing to tenth grade (Bernstein et al., 2008)

Of the students who graduate from high school, many lack sufficient skills for success in college and the workplace. These deficits include social and emotional skills critical to today's economy, i.e., the ability to communicate effectively; work in teams; think critically; solve problems; and exhibit professionalism, a work ethic, ethical behavior, and social responsibility (Caster-Lotto & Barrington, 2006). In a recent Association of American Colleges and Universities survey, students consistently ranked themselves higher than employers did on key workplace skills (Hart Research Associates, 2015).

METHODS OF PUPIL ASSESSMENT

FERRIS STATE UNIVERSITY

FERRIS FORWARD

Charter Schools Office Policy

Adopted: 2010

Revised: 2022

METHODS OF PUPIL ASSESSMENT

Ferris State University monitors demonstrated improved pupil academic achievement for all groups of pupils as required by the Revised School Code.

Ferris State University Charter Schools Office (CSO) requires authorized Academies to administer the following assessments. All academies must adhere to state and federal guidelines for the percent of students to be tested. For the CSO chosen nationally-normed assessment, 95% of students must be assessed.

Grade(s)	Assessment	Subjects
Grade K-2	State-Approved Benchmark Assessment	MDE Mandated Areas
Grades 2-10**	Nationally-Normed Assessment (NWEA MAP)	Math and Reading
Grades 8, 9-10	State-Aligned College Entrance Suite (PSAT 8/9, PSAT 10)	Evidence-Based Reading and Writing, Math
Grade 11	State-Mandated College Entrance and Career Readiness Exams (currently SAT/ACT WorkKeys)	As Mandated by State
Grades 3-8, 11	State-Mandated Assessment (M-STEP)	As Mandated by State (ELA, Math, Science, Social Studies)

*NWEA® MAP® for Reading, Math, and Language Usage will be provided to the Academies by the Charter Schools Office (CSO). While administration of the K-1 assessment is not required by the CSO, it is available for the Academies to utilize at no charge.

**NWEA is not required for all academies in Grades 9 and 10. Academies follow their individual Goals and Measures.

- All assessments must be in compliance with the Revised School Code.
- The Academy shall properly administer all state-mandated academic assessments identified in the Code.
- The Academy shall properly administer the academic assessments identified in the current contractual Terms and Conditions and adhere to the ethical standards and assessment procedures associated with these assessments in accordance with the requirements detailed in the Master Academic Calendar annually issued by CSO. The Academy must ensure that those individuals involved with the administration of these assessments are properly trained by attending any CSO-offered professional learning.

- The Academy shall authorize the CSO to have access to the Academy's Student/School Data Applications through the Center for Educational Performance and Information (CEPI), and the electronic reporting system administered by the Michigan Department of Education to access the Academy's state assessment results, as applicable.

Strict Discipline Academies

Academies designated as Strict Discipline Academies or Alternative Education Academies as per the Michigan School Code may be exempted from certain parts of these requirements due to their unique nature. In all cases, specific educational goals will be mutually developed and agreed upon by the Academy and the CSO and shall be attached to the Contract. Written reports on the progress of the Academy's goals shall be submitted annually to Epicenter by June 30.

SECTION e

ADMISSION POLICY AND CRITERIA

ADMISSION POLICY AND CRITERIA

Revised: April 2018

Enrollment Information

Charter schools, legally known as public school academies (PSAs) can set maximum enrollment numbers but **cannot pick and choose which students to enroll**. MCL 380.504 (2) is very clear:

(2) A public school academy shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a school district and may give enrollment priority as provided in subsection (4).

(4) A public school academy may give enrollment priority to one (1) or more of the following:

(a) A sibling of a pupil enrolled in the public school academy.

(b) A pupil who transfers to the public school academy from another public school pursuant to a matriculation agreement between the public school academy and other public school that provides for this enrollment priority, if all of the following requirements are met:

(i) Each public school that enters into the matriculation agreement remains a separate and independent public school.

(ii) The public school academy that gives the enrollment priority selects at least 5% of its pupils for enrollment using a random selection process.

(iii) The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

(c) A child of a person who is employed by or at the public school academy or who is on the board of directors of the public school academy. As used in this subdivision, "child" includes an adopted child or a legal ward.

All PSAs must have an Open Enrollment Period of at least two (2) weeks that include opportunities for students to enroll. Enrollment times must include some evening and weekend

times. (MCL 380.503 (6) (ii)) The Open Enrollment times and information must be advertised. The main purposes of Open Enrollment are to allow currently enrolled students to enroll for next year (guaranteeing them a spot if the family completes the enrollment process), allow new enrollees to submit applications, and establish preliminary student numbers so the school can make staffing and mandated decisions about student admission.

Before Open Enrollment, the **school needs to set enrollment maximums** by building or grade level(s). These grade/building level maximums should be available on the PSA's website, as well as included in their Open Enrollment posted advertisements. Maximums can be stated as either the total number of available slots per grade/building or the current number of openings per grade/building (subtract current enrollees from total maximum number per grade/building). The posting should also indicate that the PSA Board has the ability to change the maximum enrollment numbers per grade/building based on potential enrollees, available staff, and facility limitations.

When the Open Enrollment period ends, the building leader, with input from the Board, must determine if the number of new enrollees (students not currently enrolled) exceeds the number of open slots in a grade, combination of grades, the building, or the district. **The building leader must also add any new enrollees who are siblings of currently enrolled students, whose parent or legal guardian is employed by the school or who is currently on the board of directors, or new enrollees who are part of a matriculation agreement to the currently enrolled number.** These students get enrollment priorities based on MCL 380.504 4(c) and do not need to be placed into the lottery procedure. **If the number of new enrollees DOES NOT EXCEED the number of open slots, no lottery is needed. This means the school has the staff and facility capabilities to educate the combination of currently enrolled students plus the new enrollees. Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects "Enrollment maximum not exceeded, no lottery needed."**

If the number of new enrollees during the Open Enrollment period EXCEEDS the number of open slots, a lottery is needed and must be scheduled within two (2) weeks of the close of the Open Enrollment period. The building leader must inform the Ferris State University Charter Schools Office (CSO) field representative the time, date, and location of the lottery. **Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects "Enrollment maximum exceeded, lottery required."** Field Representatives or a CSO representative attends academies' lotteries to observe and verifies via School Visitation Report. Because an "impartial party" draws the student name cards, the CSO staff member should not actually pick the cards, but observe the process.

Field Representatives must remind their schools to follow the contractual lottery process:

LOTTERY PROCESS

Place the name and grade (or other system of grouping) of each student registered to enroll on a 3" x 5" card. Also on a card, place the name and grade (or group) of all siblings who have applied for admission.

Sort cards by grade (or group).

Start lottery with either highest grade offered or lowest grade offered.

Place cards, for group to be drawn, in an opaque container large enough to thoroughly mix the cards.

Mix the cards.

Have an impartial party draw the cards.

Announce the name of student drawn on each card and write the name on a numbered roster sheet for that group. (Note: roster sheets should provide for identifying the status that placed the student's name on the sheet, "Drawing" or "Sibling".)

Place sibling name(s) on the appropriate roster sheets. (Note: roster sheets should provide for identifying the status that placed the student's name on the sheet, "Drawing" or "Sibling".)

Remove sibling cards from their drawing group.

Continue the process until available seats for the group are filled.

Continue the process and place the remaining student names on a waiting-list roster for that group in the order they are drawn. (Note: **Do not remove sibling cards from their drawing group when a student is placed on the waiting list. They still have a chance of being selected during the drawing for their group or for another siblings group.**)

Continue the process until all names, for that group, have been drawn.

Repeat the process chronologically for each group until all names for all groups have been drawn and the lottery is concluded.

An initial waiting list is populated during the lottery process above based on the order the student's name was drawn after the grade or building enrollment limit was met. The waiting list for enrollees AFTER the lottery process or Open Enrollment period ends is populated by new enrollees in the order the enrollment process is completed based on date and time. These students are added to the initial waiting list based on the time and date of their enrollment.

Building leaders must inform their field representative when a waiting list is generated. **Field Representatives then inform the CSO that a waiting list has been created** (name of school, grades that have a waiting list, any known plans to add sections/staff/space to eliminate waiting list, etc.) Field representatives periodically review academies' waiting lists and verify on School Visitation Report. There are no Epicenter submissions for waiting lists.

- 1) Evaluation of the effectiveness of these waivers will be utilized to gather information and provide further guidance to the field. To evaluate, MDE will collect information on programs from around the state through surveys, state collected data, information contained in all or parts of your program implementation plan, and feedback regarding implementation including student success. You will be notified of required reporting deadlines later in the year.
- 2) Participation in random site visits to collect best practices and offer guidance to the field regarding implementation of alternative education and innovative programs. MDE staff will also schedule monitoring visits during the school year to ensure compliance and to identify potential problems.
