This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris State University. The information on this guide is subject to change; students should contact the College of Allied Health Sciences to keep informed of changes (see "contact" above). Final responsibility for verifying all transfer information lies with the students.

ADMISSION REQUIREMENTS

- 2.5 college GPA
- It is recommended that applicants have a strong preparation in English, Speech/Communication, and Computer Science.
- This is an excellent B.S. degree option for students who are earning, or have earned, a health related associates degree.

For assistance with the admission process, contact your transfer counselor at the community college, or the transfer admissions officer at Ferris State University, Shari Chamberlain, at 1-800-4-FERRIS, chambers@ferris.edu.

APPLICATION

- Students may begin the program any semester. For proper tracking of courses, we encourage students to apply one year prior to attendance at Ferris.
- Students interested in working in the business side of health care are encouraged to apply.
- If you have any questions about this program or how to apply, contact the Program Coordinator listed above.

TRANSFER PLAN

- Transfer of credit is awarded on a course-by-course basis.
- Transferable courses are those with grades of "C" (2.00 on a 4.00 scale) or better.
- The following is a list of courses students must complete to earn the degree. Community college equivalents are listed below and may be taken prior to transferring to Ferris. If a program will accept a course as a substitution, the word "sub" will follow the community college course number. Blank spaces in the community college column indicate there are no course equivalents or substitutions available.

OFF-CAMPUS PROGRAMMING AND ON-LINE COURSES

- Off-campus programming and online courses are available for this degree. Please contact the Program Coordinator for more information regarding these options.

**FSU COLLEGE OF ALLIED HEALTH SCIENCES
HEALTH CARE SYSTEMS ADMINISTRATION**

REQUIRED	COURSE TITLE – FSU PREREQUISITES SHOWN IN BRACKETS ()	FSU HOURS	COURSE AT Mid Michigan CC
----------	--	-----------	---------------------------
