This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris State University. The information on this guide is subject to change; students should contact the College of Allied Health Sciences to keep informed of changes (see "contact" above). Final responsibility for verifying all transfer information lies with the students.

**For Admission to the Professional Nursing Sequence:** These courses must be completed by the end of the Spring Semester to qualify for entry into the professional sequence. Students must officially apply to the professional sequence **between January 15 and January 30** for the fall semester start each year.

**\*Advanced Placement Consideration:** Each fall, 10 seats are allocated to students who meet advanced placement criteria by establishing and maintaining a cumulative GPA of 3.5 or higher. These 10 seats are held until the end of the spring semester to allow advanced standing students to qualify in just two semesters.

**Second Degree Accelerated Program:** If you have a BS degree in another field, you might want to consider the 3 semester professional sequence. Students must meet Core Curriculum Health Sciences and Science course

requirements as pre-requisites for this track. NOTE: **Applications are accepted between August 1 and August 15 for the January start each year.** Please contact the program coordinator or visit the School of Nursing website for more information.
