## *AGREEMENT*

NOW THEREFORE, the parties, desiring to articulate the nature of their collaboration, hereby agree to the terms listed below. Further, Ferris is a party to the Michigan Association of Collegiate Registrars and Admissions Officers (MACRAO) Transfer Agreement and has general education transfer guidelines ("Guidelines") as set forth in an Academic Affairs Policy Letter. Except as governed by the MACRAO Agreement or the Guidelines, the following terms shall apply:

1. Delta students who have completed the Associates Program with a cumulative grade point average of 2.5 (on a 4.0 scale) or higher, and is registered and licensed as a Dental Hygienist (hereinafter the "qualified student") may apply to the Bachelors Program at Ferris. If the qualified student is admitted to Ferris for the Bachelors Program, Ferris shall permit the qualified student to transfer all credits in the Associates Program and apply those that are applicable toward the Bachelors Program for those courses that the qualified student received a grade of C (2.00 on a 4.00 scale) or higher, and for those courses that the qualified student received a grade of Pass (hereinafter a "Pass") for a course completed on a Pass or Fail basis, provided, however, that Delta's definition of a Pass does not include the equivalent of a grade lower than a grade of C (2.00 on a 4.00 scale). Although all courses that meet the guidelines will transfer, program specific requirements must still be met.
2. Ferris and Delta establish their own admissions requirements and recognize and respect each other's autonomy in establishing such requirements. Although qualified students from Delta may meet the academic admissions requirements for Ferris, such qualified students may not be otherwise eligible for admission to Ferris. Ferris and Delta recognize that Ferris may refuse admission to any person who does not meet all admissions requirements set by Ferris.
3. Attached hereto, and made a part hereof, is a transfer plan for the Bachelors Program (hereinafter the "Articulation Guide"), setting forth the Bachelors Program prerequisites, including the course equivalencies for the Ferris Bachelors Program and the Delta Associates Program that are the subject of transfer from Delta to Ferris by qualified students. The Articulation Guide is subject to programmatic review and periodic change by Ferris and Delta. Ferris and Delta will communicate regularly, but not less than once every year, regarding any required programmatic changes, and shall inform each other in writing of the impact of any programmatic changes on the Articulation Guide prior to the implementation of any programmatic changes.
4. Ferris and Delta anticipate, depending on enrollment and available faculty or instructors, to offer the Bachelors Program courses online.
5. This Agreement shall be for a term of three (3) years. Ferris or Delta may terminate this Agreement by providing the other party with written notice, by first class mail, of the termination of the Agreement. The Agreement shall terminate not less than

one hundred eighty (180) days from the date of the termination notice, unless otherwise agreed in writing by the parties.

6. Ferris and Delta will jointly share data on student achievement to assess program effectiveness, adhering to the precepts of the Family Education Rights and Privacy Act (FERPA).

7. Ferris and Delta will each appoint a contact person to be responsible for communication regarding this Agreement.

8. Ferris and Delta will jointly develop a marketing and recruiting strategy to support the goals and advance the purpose of this Agreement.

9. This Agreement is intended solely for the mutual benefit of the parties hereto, and there is no intention, express or otherwise, to create any rights or interests for any party or person other than Ferris and Delta. Without limiting the generality of the foregoing, no rights are intended to be created for any student, qualified student, as defined herein, parent or guardian of any student, or employer or prospective employer of any student.

10. No amendment or modification to this Agreement, including any amendment or modification of this paragraph, shall be effective unless the same is in writing and signed by the party to be charged.
