

Criminal Justice. B.S.

On the campus of Delta College

The Criminal Justice baccalaureate degree prepares you for a professional career in the Criminal Justice system in Michigan and other states. This Generalist option prepares you to seek federal, state and/or local criminal justice agency employment or admission to law school or graduate school. This program gives you a general education in criminal justice, but also lets you choose to focus on specific technical skills by enrolling in clusters of courses in the areas of forensic science, communications, accounting, computer information systems, human resource management, Spanish or social sciences.

This program offers small class sizes—usually between 15 to 30 students. Faculty who have professional criminal justice experience as well as appropriate educational degrees use a pragmatic approach to prepare you for a career in criminal justice. The most common positions for graduates of this program are: police officer, correctional treatment specialist, probation officer, detective, criminal investigator, security guard, paralegal and forensic analyst. The median annual salary ranges between \$32,000 and \$61,000¹.

General Admission Criteria

To be admitted to this program, you must have an associate degree or have completed 48 transferable credit hours from an accredited college or university. A minimum 2.0 cumulative grade point average is required, and you will need to submit official transcripts from all accredited colleges/universities with your application. Ferris accepts the MACRAO agreement from community colleges. Financial aid is available and includes dual enrollment in classes at FSU and Schoolcraft.

Important Note

Prior to applying, set up an appointment with an advisor to answer any questions in regard to the program and to discuss a course schedule. **Students pursuing a MACRAO stamp may have different general education courses to take. You should meet with your Ferris advisor prior to the selection of any electives or general education classes shown above.** Once admitted, continue to meet as you work towards graduation.
