

# FERRIS STATE UNIVERSITY

## Bachelor of Science

### Automotive Management

#### Lansing Community College

#### Admission Requirements to Ferris:

1. Minimum credits for admission to the degree completion program require at least 48 transferable credits or a completed Associates Degree. A significant portion of transfer credits should be from Automotive Technology, Advanced Technology Vehicles, Heavy Equipment Repair Technician, Auto Collision Repair, or High Performance Automotive. See \*Note below.
2. To be considered for financial aid from Ferris, students must take at least six credit hours each semester of Ferris course work. Students may be concurrently enrolled at both Ferris and Lansing.
3. A 2.3 overall GPA is required for admission, and the completion of Ferris' Math 110 (or LCC's MATH107 or equivalent from another school) with a C or better or an ACT core of 19 or above must be completed prior to application. Official college transcripts must be submitted at time of application for admission.
4. While students are encouraged to complete FSU ENGL 150 and ENGL 250 or 211 prior to admission, students are required to complete at least one English course prior to being admitted into to the program (Ferris ENGL 150 or LCC's WRIT 121 or higher) or its equivalent from another accredited institution.

#### Graduation Requirements:

1. To graduate, students must have a 2.0 Cumulative GPA in all FSU courses.
2. At least 30 FSU semester hours must be completed to fulfill FSU residency requirements.
3. At least 40 credits must be completed at the 300 level or higher.
4. Students must meet the University General Education hours requirements listed on page two.
5. 123-126 credit hours are required for graduation.

*Students are strongly encouraged to meet with an advisor early in their program to ensure appropriate classes are selected to meet all graduation requirements.*

#### Automotive Management Requirements

\*Note: Prior to graduation, students must have completed a minimum of 40 credits from one or more of the following areas: Automotive Technology, Advanced Technology Vehicles, Heavy Equipment Repair Technician, Auto Collision Repair, High Performance Automotive, or advisor approved related area.
