

**Bachelor of Science**

**Business Administration-Professional Track**

*on the campus of Mott Community College*

The major in business administration professional track is designed to prepare individuals for the rapidly changing nature of the work environment in business, government and other nonprofit organizations. Building upon a core of business courses, the program features a tight sequence of major courses; however, the program also provides the flexibility to specialize in an area of interest for the student. Students with associate’s degrees in technical fields will find the program attractive for building a solid knowledge of business and management upon their technical expertise.

**General Admission Criteria**

To be admitted to this program you must have at least 48 transferable semester credits and have an overall GPA of 2.35 or better and credit for/or ENGL 101 or MATH 120. **Graduation requirements include the completion of a technical associate degree with at least 24 semester credits which are in an occupational or technical specialty area.** A minimum 121 credits are required for graduation
