

Bachelor of Science

Business Administration

Mott Community College

The major in business administration is designed to prepare individuals for the rapidly changing nature of the work environment in business, government and other nonprofit organizations. The program is designed to equip graduates not only for entry-level positions but for advancement as well.

Building upon a core of business courses, the program features a tight sequence of major courses; however, the program also provides the flexibility to specialize in an area of interest for the student. Students with associate's degrees in technical fields will find the program attractive for building a solid knowledge of business and management upon their technical expertise. The major is also valuable as preparation for law school, as well as for graduate studies in business.

General Admission Criteria

To be admitted to this program you must have at least 48 transferable semester credits and have an overall GPA of 2.35 or better and credit for/or placement into ENGL 101 or MATH 120 . A minimum 121 credits are required for graduation. See official program plan for all graduation requirements.
