THIS is an AMENDMENT to an ARTICULATION AGREEMENT (hereinafter "Agreement") dated May 26, 2000, between Ferris State University, a Michigan constitutionally-created public institution of higher education, located in Big Rapids, Michigan 49307 (hereinafter "Ferris") and Bay Mills Community College (hereinafter the "College") entered into on this first day of February, 2003.

The Articulation Agreement entered into between Ferris and the College is amended as follows:

The College's students who graduate from the Associates Program with a cumulative grade point average of not less than a 2.00 on a 4.00 scale (hereinafter the "qualified student") may apply to the Bachelors Program at Ferris. If the qualified student is admitted to Ferris for the Bachelors Program, Ferris shall permit the qualified student to transfer all credits in the Associates Program towards the Bachelors Program: (1) for those courses that the qualified student received a grade of C (a 2.00 on a 4.00 scale) or higher, and (2) for those courses that the qualified student received a grade of Pass (hereinafter a "Pass") for a course completed on a Pass or Fail basis, provided, however, that the College's definition of a Pass does not include the equivalent of a grade lower than a grade of C (a 2.00 on a 4.00 scale). Qualified students who have earned not less than fifty-six (56) credits shall be considered juniors for academic purposes at Ferris, provided, however, that such qualified students received a grade of C (a 2.00 on a 4.00 scale) or higher, or a Pass, in such transferred credits. Ferris will not grant transfer credit to courses wherein the qualified student earned less than a C (or a 2.00 on a 4.00 scale) or earned a Fail.
