and
GRAND RAPIDS COMMUNITY COLLEGE

Grand Rapids Community College and *Ferris State University* are forming a partnership through this articulation agreement to better serve our constituents and prepare them to enter a world-class workforce. Both institutions recognize that working together, their collective efforts are much stronger than their individual efforts.

The two institutions agree to the following:

1. *Any student who has completed an associate degree at Grand Rapids Community College with the required 2.00 GPA will automatically be admitted to Ferris State University at the junior level.*
2. *Acceptance into a specific Ferris State University program is based on the individual student meeting the conditions and considerations listed for that program.*
3. *Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.*
4. *This agreement does not preclude either institution from making a curriculum change if deemed appropriate.*
5. *Appropriate publications and promotional materials regarding this agreement will be made available to all Grand Rapids Community College students.*
6. *Either Ferris State University or Grand Rapids Community College may dissolve this agreement by giving two years advance notice.*
