B

- Birkam Health Center, 394, 427
- board of trustees, 406
- Business, College of, 64
 - academic minors, 380
 - accountancy, 72
 - accountancy degree options, 37

- accountancy/finance (bachelor of science), 74–75
- associate in accountancy (associate in applied science), 75
- cost/managerial track (bachelor of science), 73–74
- professionally directed track (bachelor of science), 74
- public accounting track (bachelor of science), 73
- accountancy minor, 75
- accountancy/computer information systems (bachelor of science)
 - courses, 70–71
- admission requirements, 65
- advertising (bachelor of science), 88
 - courses, 88–89
- advertising certificate, 99
- applied statistics minor, 76–77
- associate degree programs, 67, 380
- bachelor of integrative studies (BIS), 67
- business administration (bachelor of science), 77
 - courses, 77
- business core requirements, 66
- certificate programs, 67
- certificates, 380
- computer information systems (bachelor of science), 69–70
 - courses, 70
- computer information systems (teaching option), 72
- computer information systems minor, 71
- computer information systems/management (bachelor of science), 72
- computer information systems/marketing (bachelor of science), 72
- computer literacy certificate, 72
- continuous quality improvement certificate, 69
- cooperative education programs, 66
- degree requirements, 65
- direct marketing certificate, 99
- directory, 413–16
- double majors, 66
- economics minor, 76
- finance (bachelor of science), 77–78
 - courses, 78
- finance minor, 86
- general business (associate in applied science), 84–85
 - courses, 85
- general education requirements, 66
- global logistics certificate, 87
- graduate program, 67–68
- hotel management (associate/bachelor), 89
 - courses, 90
- hotel management certificate, 99
- hotel management minor, 98, 99
- human resource management (bachelor of science), 78
 - courses, 79
- information systems management (master of science in information systems management), 68
 - courses, 69
- insurance (bachelor of science), 79
 - courses, 79
- insurance certificate, 87
- insurance minor, 86–87
- insurance/real estate (bachelor of science), 80
 - courses, 80
- integrated resource management (bachelor of science), 81–82
 - courses, 82
- international business (bachelor of science), 80
 - courses, 80–81
- international business certificate, 87
- legal assistant (associate in applied science), 85
 - courses, 85
- mainframe computer certificate, 71
- management (bachelor of science), 81
 - courses, 81
- marketing (bachelor of science), 90
 - courses, 90–91
- marketing certificate, 99
- marketing research certificate, 99
- marketing sales (bachelor of science), 91
 - courses, 91–92
- marketing sales certificate, 100
- marketing sales minor, 98
- master of science degrees, 379
- midrange computer certificate, 71–72
- multimedia production certificate, 100
- music industry management (bachelor of science), 92
 - courses, 92–93
- objectives, 64–65
- professional golf management (bachelor of science), 93
 - courses, 93–94
- professional tennis management (bachelor of science), 94–95
 - courses, 95
- program requirements, 66
- public relations (bachelor of science), 95–96
 - courses, 96
- public relations certificate, 100
- public relations transfer program, 96–97
- quality and productivity management (bachelor of science), 75–76
 - courses, 76
- real estate (associate in applied science), 86
 - courses, 86
- real estate certificate, 87
- resort management (bachelor of science), 82
 - courses, 83
- restaurant and food industry management (associate/bachelor), 89
 - courses, 89
- restaurant and food industry management certificate, 100
- restaurant and food industry management minor, 98
- retailing certificate, 100
- second business degrees, 66
- small business management (bachelor of science), 83
 - courses, 84
- small business management certificate, 87

- small business management transfer program, 84
- transferring, 66–67
- visual communication (associate/bachelor), 97
 - courses, 97–98
