COLLEGE OF ENGINEERING TECHNOLOGY**

Transfer Guide for
Macomb Community College
Associate Degree – Automotive Technology
Into Automotive Management

Home Page	Contact	Phone
http://www.ferris.edu/cot/	Russell Leonard, Program Coordinator School of Automotive & Heavy Equipment College of Engineering Technology AUT-101 Big Rapids MI 49307 E-Mail: leonardr@ferris.edu	1-800-4-FERRIS or (231) 591-2655

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change; students should contact Ferris to keep informed of changes (see “contact” above). Final responsibility for verifying all transfer information lies with the student.

CAREER PATH

The automotive and heavy equipment industry needs managers and representatives with up to date technical, managerial, and communication skills. Manufacturers need service, sales, parts and customer relations representatives. Positions also exist in dealerships and repair centers and include service management, parts management, sales, leasing, and general management. Other management positions include aftermarket managers, fleet managers, technical writers, trainers, and government agency managers.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

1. Associate Degree in Automotive Technology
2. MATH 0070 required, MATH 1000 recommended
3. 2.3 College GPA

For assistance with the admission process, contact your transfer counselor at the community college or the transfer admissions officer at Ferris State University, Shari Chamberlain, at 1-800-4-FERRIS, chambers@ferris.edu

APPLICATION DEADLINES

It is recommended that students submit applications by January 15th prior to fall entry.

TRANSFER GUIDE

- Coursework in AMGT Major – In addition to the courses completed for the Associate Degree listed above, there may be other courses that can be completed at your college or another accredited college/university prior to transfer to Ferris that will meet requirements for the B.S. major. **NOTE: First, check with a Ferris Faculty Advisor or the Department Chair (listed above) for academic advising prior to completing these courses.**
- General Education Requirements – All students earning a B.S. degree at Ferris State University must complete the Ferris State University *General Education Requirements*. Some of these general education requirements may have been completed as part of your associate degree, while others may be completed in addition to the associate degree at your college or another accredited college/university prior to transfer to Ferris, and others can be completed after transferring to Ferris. **We suggest you first check with a Ferris Faculty Advisor or the Department Chair (listed above) for academic advising prior to completing these courses.**
- Students must complete a minimum of 30 credit hours at Ferris to meet graduation requirements.

FERRIS STATE UNIVERSITY

COLLEGE OF ENGINEERING TECHNOLOGY
