

FERRIS STATE UNIVERSITY
COLLEGE OF ENGINEERING TECHNOLOGY
 Transfer Guide for
MILWAUKEE AREA TECHNICAL & COMMUNITY COLLEGE
 Associate Degree – Architectural Technology
Into Facility Management

Home Page	Contact	Phone
http://www.ferris.edu/cot/	Diane Nagelkirk, Program Coordinator College of Engineering Technology School of Built Environment SWN 312 Big Rapids, MI 49307 E-Mail: nagelkid@ferris.edu	1-800-4-FERRIS or (231) 591-3100

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change; students should contact Ferris to keep informed of changes (see “contact” above). Final responsibility for verifying all transfer information lies with the student.

CAREER PATH

Facility Management combines a core of general education and business studies with building technology and facilities coursework. The mission of the program is to provide students with the educational concepts, skills, and values necessary to enter the employment market in facility management and related professions.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

1. Associate degree in Architectural Technology, or approval of AT/FM faculty
2. A minimum 2.3 GPA in major coursework
3. Math 115 required

For assistance with the admission process, contact your transfer counselor at the community college or the transfer admissions officer at Ferris State University, Shari Chamberlain, at 1-800-4-FERRIS, chambers@ferris.edu

APPLICATION DEADLINES

It is recommended that students submit applications by January 15th prior to fall entry.

TRANSFER GUIDE

- Coursework in FMAN Major – In addition to the courses completed for the Associate Degree listed above, there may be other courses that can be completed at your college or another accredited college/university prior to transfer to Ferris that will meet requirements for the B.S. major. **NOTE: First, check with a Ferris Faculty Advisor or the Department Chair (listed above) for academic advising prior to completing these courses.**
- General Education Requirements – All students earning a B.S. degree at Ferris State University must complete the Ferris State University *General Education Requirements*. Some of these general education requirements may have been completed as part of your associate degree, while others may be completed in addition to the associate degree at your college or another accredited college/university prior to transfer to Ferris, and others can be completed after transferring to Ferris. **We suggest you first check with a Ferris Faculty Advisor or the Department Chair (listed above) for academic advising prior to completing these courses.**
- Students must complete a minimum of 30 credit hours at Ferris to meet graduation requirements.

FERRIS STATE UNIVERSITY

COLLEGE OF ENGINEERING TECHNOLOGY
