Risk Management and Insurance

PRACTICAL EDUCATION.
FLEXIBLE CAREER.
REWARDING LIFE.

 FERRIS STATE
UNIVERSITY

College of Business

Why choose a program in Risk Management and Insurance?

The Risk Management and Insurance program provides you with a well-rounded and customized business education that prepares you for the wide range of career opportunities in the growing risk and insurance industry.

Program faculty bring years of practical experience within the industry to the classroom with a combination of academic, corporate, and consulting knowledge.

Areas of study may include:

- Business Law
- Entrepreneurship
- Cyber Risk & Security
- Enterprise Risk Management
- Data Analytics
- Finance
- Employee Benefits
- Marketing & Sales

Internship opportunities complement your studies by providing on-the-job experiences.

Scholarships are available.

- Students may earn two exam waivers toward the highly regarded CPCU designation through their RMIN coursework.
- Curriculum provides flexibility for students to design an area of emphasis within their RMIN degree.
- Students participate in an active local chapter of Gamma Iota Sigma, the risk management and insurance fraternity.
- Students engage in experiential learning such as simulations, industry field trips, and conferences.

Career Opportunities

Ferris State's Risk Management and Insurance program is recognized by insurance organizations nationally and internationally. Job placement rates currently run 90% and above. Graduates report a high level of job satisfaction, opportunities for advancement and creativity, and income growth. Many Ferris State insurance graduates currently occupy senior level positions in the industry.

Some of the industry positions include:

- Claims Professional
- Loss Prevention Field Rep
- Risk Manager/Risk Analyst
- Sales Agent/Broker
- Underwriter

- Job opportunities in risk and insurance have never been stronger. Almost half of insurance industry professionals are over age 45, with 25% of the industry expected to retire in the next few years. (Source: Insurance Journal, 5/1/15)
- Entry-level salaries start in the mid-\$40,000s to the low-\$60,000s, and senior-level salaries can surpass \$100,000. (Source: Salary.com)
