

First Annual Ferris Service Summit

Ferris' first Service Summit will feature training sessions on volunteerism and service. Organizations will be present to recruit volunteers and a keynote speaker will be featured in the evening. It is a 5-Star event.

Keynote: **Chad Pregracke** - "Using Your Passion to Make a Difference"

As the founder of America's only "industrial-strength" river cleanup organization, Chad tells a compelling and funny story about growing up on the Mississippi River and how his love for experiences on the river led to his unique vision to clean it up. Chad will entertain you, yet leave you with a clear understanding that the actions of each of us truly make a difference.
