

Ferris State University prepares students for **successful careers**, **responsible citizenship**, and **lifelong learning**. Through its many partnerships and its **career-oriented, broad-based education**, Ferris serves our rapidly changing global economy and society.

COLLEGE OF ALLIED HEALTH SCIENCES

Building upon the mission, vision and values of Ferris State University, the College of Allied Health Sciences' mission is to prepare students for **successful careers** in the programs contained therein, to foster **responsible citizenship** and to promote **lifelong learning**. The college will partner with healthcare providers and facilities to prepare students for rapidly changing careers.

The undergraduate program in nursing is designed to provide innovative baccalaureate programming that prepares graduates for roles in **current professional nursing practice** and to effectively contribute to future changes in the nursing profession and health care delivery system.

Susan's mini-draft:

- Mission
- Guidance
- Programs
 - Degrees- (laddering)
 - Certificates- (laddering) = INTEGRITY
 - Internships- (real world)
- Facilities
- Job Placement

Possible Models / Frameworks:

Sub-criterion level:

MISSION + Guidance + Programs + Facilities + Job Placement = INTEGRITY

Criterion level:

MISSION + 1a (clear, public documents) +

1b (recognition of diversity) +

1c (understanding / support of mission is pervasive)+

1d (promote effective leadership and collaborative processes) +

1e (upholds and protects integrity) = INTEGRITY

Document level:

MISSION + C1 + C2 + C3 + C4 + C5 = ACCREDITATION

1.A.3
