I. Overview

The Athletic Advisory Committee met in October 2010, November 2010, January 2011 and February 2011 along with supplemental meetings scheduled for March 2011 and April 2011. After election of officers, the committee was asked by FSU Vice President for Administration and Finance, Jerry Scoby to conduct (and submit to the FSU Athletic Department for forwarding to the NCAA) the mandatory NCAA Athletic Self-Study required of the institution during the 2010-2011 academic year. Highlights

At the initial meeting, Phil Walling was elected Chairman while Kim Beistle was elected Secretary. The primary goal was to aid in the completion of the National College Athletic Association (NCAA) athletics department self-study report. Kim Hancock was reassigned to an administrative role in the College of Pharmacy in the Fall and thus did not remain a member of the committee. In addition, each FSU athletic team was given representation by a member of the committee.

The NCAA self-study guide was passed out to the group. Fifteen areas were identified in the report to complete. A member of the committee was assigned to each area along with an athletic department staff member to assist. Below are the committee assignments:

SECTION ONE: Compliance

- I. Institutional Oversight: Terry Nerbonne / Perk Weisenburger
- II. Budgetary Control: Lee Templin / Keri Becker / Perk Weisenburger
- III. Ethical Conduct: Donald Reynolds / Perk Weisenburger
- IV. Recruiting: Brian Brady / Keri Becker
- V. Eligibility: Robin Carter / Keri Becker
- VI. Financial Aid: Steve Symmes / Sheri Edstrom

SECTION TWO: Strategic Initiatives

- II. Institutional Control and Responsibility: Phil Walling / Perk Weisenburger
- III. Athletics Operations: Terry Nerbonne / Jon Coles
- IV. Student-Athlete Well-Being: Greg VanderKooi / Perk Weisenburger
- V. Health and Safety: Perk Weisenburger / Dave Lucey
- VI. Life in the Balance / Overall Educational Experience: Jon Coles
- VII. Cultural Diversity and Gender Equity: Fran Rosen / Joe Joyce / Keri Becker

Each member of the committee was supplied a username and password to the NCAA website for on-line completion of their section. Of the fifteen required sections, all but 2 are currently complete. The athletic director Perk Weisenburger, Senior Women's Administrator Keri Becker and Associate Athletic Director Jon Coles are aware of the committee's progress. The Athletic Department is now tasked to work out the details of the report and prepare it for submittal to the NCAA and President Eisler.

Respectfully submitted,

Philip E. Walling, OD - Chair
