OLD BUSINESS:

At the previous meeting it was decided to omit words "of which 50% could be online instruction" from the nomination form. The old version of the form was distributed. We should make sure that the new version of the form will be distributed in 2011.

NEW BUSINESS:

Evaluation report was discussed.

It was decided who will visit classes for observation.

ADDITIONAL INFORMATION OR SUMMARY:

Evaluation report received from Maureen Heaphy was discussed. Several areas were marked in the report as "Need improvement". We should put the Charge, Strategic plan and "Road map" on the Academic Affairs website.

We have 5 nominees for DTA. Cami Sanderson sent letters to nominees. It was decided who will visit whose classes for observation (by December 1 evaluation results should be submitted to Paula Hadley).

After discussion it was decided that only faculty members (not staff or students) can nominate candidates for DTA.

Sharon Colley will design an evaluation form for online students (2 applicants teach their classes 100% online).

Yuri Konovalov volunteered to be the Secretary of the DTA committee.
