Meeting Minutes

Topic 1. Report from Dean Cochran

FLITE Technology plan is in place and working. Upgrades for computers and projectors are in process and those being replaced are recycled where needed on campus. Expenditures for library materials are targeted toward big ticket low maintenance resources to reduce impact of State economy. The Budget Reduction Plan is in place but should be invisible to patrons and not affect service. The Banner program is moving forward and can update or replace existing programs. Existing prototype does not have a link to the library.

Topic 2. Old Business

Melinda McMartin provided two documents for review. First is a review of the original Mission Statement where contents are obsolete. Secondly was, a University Archives and Records Management Program Custodial Responsibilities and Access Policy.

Anne Kelly presented and discussed the online survey utilized in FSUS classes in the library. After discussion, it was decided that the purpose of the survey is to solicit feedback from students to determine the effectiveness of the training.
