OLD BUSINESS:

Meeting began at 11:05a.m.

- The committee reviewed the official minutes from the April meeting. Minutes were accepted.
- The committee reviewed the 2009-2010 Year End Report to provide context for new members and to remind return members of the work that was previously done.

NEW BUSINESS:

- Introduction of Members
- Election of New Officers
 - Dan Sleeper graciously offered to step-up as Chair (Anne-Marie happily passed the gavel).
 - The Committee decided on a rotating recorder (This notes are being developed and submitted by Anne Marie)
 - Jon Taylor will continue to be the Committee's technology guru and update the Facebook site.
- Discussion
 - Request to have a lotus note invitation sent out by the Committee Chair for the meetings.
 - Request to have a movable meeting place.

- Discussion on the Senate focus that all committees must attempt to enhance academic success (including this one). The Academic Senate will be looking at each of the Committees to see how well they meet that mandate to determine whether or not they should continue.
- Discussion on supporting “Paint the Town Pink”. This sort of activity would increase student involvement.
- Tom will invite a representative from the Cancer Survivors RSO to one of our meetings to discuss how we can support them.
- Discussion on a need for a link from the Health Promotions link on the current student’s page and website to the Facebook page.
- AA meetings are still up and running in Rankin 108 (Ojibwa Room) on Tuesdays and Thursdays)
- During National Depression Screening Day – the Counseling Center previously staffed a table at Rankin but in order to give students privacy they now use online screening from the Counseling Center website (Bipolar disorder, Depression, PTSD) that we could link to on our Facebook page. The students could print out and take to their counselor. Discussed printing out and distributing the information on campus and using targeted messaging for campus.
- Tom reported that Kyle Cutler has a promotion within the American Cancer Society (our former contact for the Great American Smoke-Out). The Health and Counseling Center will continue to pick up the costs for that program.
- Jon wants nutrition information, dining services information, walking path, any health related information that he can use to post weekly updates to the Facebook page.
