

Senate Executive Committee Minutes  
January 24, 2007 – 12:00 -1:00 p.m.

**Present:** Griffin, Berghoef, Thapa, Dakkuri, Watson

**Absent:** Papo, Weemaes

A discussion of the Academic Policy and Standards Committee revised mission statement determined that Dr. Thapa would bring forth three general questions at the 2007 February Senate meeting:

1. Which programs do and do not have accreditation agencies?
2. Which programs could be accredited but are not?
3. Do programs follow their accreditations standards in hiring new faculty?

A discussion was held on the timing of the Academic Affairs Vice President search committee and process.

Respectfully submitted,

Rick Griffin  
Senate President
