

Senate Executive Committee Meeting Minutes

November 27, 2007: 10am –11am. ASC 2082

Present: Dakkuri, Griffin, Jewett, Ngoh, Thapa, Watson,
Guest: Kent Sun
Absent: Hancock

Meeting was called to order by President Griffin.

Senator Jewett suggested that cancelled Executive Committee meetings should be included in subsequent meeting minutes so as provide a timeline of the Committee's activities.

Senator Griffin explained to members that the meeting of 11/13/07 was cancelled because there were no agenda items and the October meeting was cancelled due to lack of quorum. He agreed with Senator Jewett that in the future, all cancelled meetings should be included future minutes.

Registration Concern

Senator Sun expressed his frustration with those responsible for the student registration problem that he presented at the 11/06/07 Senate meeting. His frustration was partly due to the fact that he cannot get anyone from the Registrar's office to address the problem.

After discussions, it was decided that Senators Griffin, Thapa, Jewett, and Sun should schedule a meeting with the Registrar and Denise Grinnell.

Study Abroad Policy

Senator Griffin called attention to the New Study Abroad Policy change and shared some of the concerns raised by Senator Sandy Alspach's communication to him. After discussions, it was agreed that the issue should be included as an agenda item for the December Senate meeting. Dr. Watson will be put on the agenda to response to inquiries about the New Study Abroad Policy.

Curriculum proposal for approval – Nuc. Med. BS

Senator Griffin informed members that there will be one curriculum proposal for approval – Nuclear Medicine BS in the December agenda.
