

**Student Life Committee  
Academic Senate  
2003-2004**

1. The Student Life Committee met six times during 2003-2004: September, October, November, January February, and March.
2. As part of its ongoing review of areas of the campus that affect the lives of Ferris students, SLC met with representatives from Campus Pipeline (Vicki Deur), Judicial Services (Celeste Belcher-Girard), Academic Support Services (Jane Pole), Education and Career Counseling (Deb Cox), and International Programs (Sally Nicolai).
3. SLC completed two major pieces of business apart from its ongoing activities:
  - a. A recommendation that the University consider one of three different schemes for coordinating the end of classes before Thanksgiving Break with the closure of the residence halls.
  - b. A recommendation that the University consider changing Easter Break so that instead of being Thursday and Good Friday, the days off would be Good Friday and Monday. To make up for the missed classes normally held on Monday, the Thursday before Easter would be, for scheduling purposes, a Monday.
  - c. The Academic Senate passed these motions on April 6, 2004.

**Membership:**

Sharon Bell, Business  
Sandra Burns, Allied Health Sciences  
Harry Cooke, Technology  
Douglas Haneline (Chair), Arts and Sciences  
Thomas Hollen, Technology
