**1. Proposal Summary**

Create Pre-PTM for the purpose of tracking and advising students who apply to Ferris with the intent to enter the Professional Tennis Management program.

Currently, students that do not directly qualify for admission to the PTM program are admitted to the university with a pre-business or general studies designation. Pre-PTM admission will allow students to receive financial aid while attempting to become academically eligible for the PTM program. The intended outcome of admitting academically ineligible PTM applicants with a Pre-PTM admission designation is to allow for accurate tracking, improved communication between program and interested students, improve advising accuracy, depiction of accurate enrollment numbers for PTM program and correct curriculum assignment to the student file, which currently does not exist. *CODE PPTM*

The old age memory is at work again.  
the UCC membership directed Academic Affair and admissions to go ahead and create these codes.  
There was no action by the UCC. Is that the way you remember it?
