## FORM A CONT.

### 1. Proposal Summary

The Sociology Program proposes changing its name from "Applied Sociology- Generalist", to "Sociology". Although the recent change to "Applied Sociology" was proposed and approved up to the UCC previously, many of the proposed changes were rejected by the VPAA's office. Because many of the changes were not made, the new name is not wholly appropriate.

Also, students looking for information about the Sociology Program are confused when they do not find it under "S" on the University website.
