

1. Proposal Summary

(Summary is generally less than one page. Briefly: state what is proposed with a summary of rationale and highlights. Additional rationale may be attached.)

The proposal is to add two prerequisites for the course in the catalog. One prerequisite is HIST 250. The purpose for this addition is because HIST 250 is a course which teaches historical writing, which is necessary for students to be able to do in this 400-level course. In addition, we are adding the prerequisite of HIST 122, to ensure that students taking the course already have a basic knowledge of U.S. history since the Civil War.
