REC'D JAN 28 2009

**1. Proposal Summary**

This proposal will change the course descriptions of our English and American Literature surveys—LITR 311/312 and 351/352—to better reflect course content and a move in the discipline away from a major authors (largely dead white male) approach. The new description focuses on trends in literature and literary study allowing faculty to select texts that reflect diverse authors, aesthetics, and perspectives.
