

1. Proposal Summary

(Summary is generally less than one page. Briefly: state what is proposed with a summary of rationale and highlights. Additional rationale may be attached.)

The reason for changing this course from Credit/No Credit is that these internships need to be evaluated and graded more precisely based on student performance. It makes no sense to give Credit to all students irrespective of their very differing achievements or lack thereof, and giving No Credit would not be appropriate either. Students over time have taken advantage of this Credit/No Credit grading and that must change. The passing grade will be a D. Formerly, this was called Public Administration Internship, but with the change of the name for this unit to Political Science now this internship will be appropriately called Political Science Internship.
