

**1. Proposal Summary**

(Summary is generally less than one page. Briefly: state what is proposed with a summary of rationale and highlights. Additional rationale may be attached.)

**The proposal is to add another prerequisite for these courses in the catalog. The prerequisite to be added is History 122, the United States history survey course, which covers the period from 1877 to the present. The purpose for adding the prerequisite is to ensure that the students taking these other courses already have a basic knowledge of United States history. In addition, we are replacing the ENGL 150 prerequisite with ENGL 250. The History area has added more writing components to our upper level courses and, therefore, believes students should have more experience in and knowledge of writing prior to taking these courses in order for them to be successful.**
