**1. Proposal Summary**

(Summary is generally less than one page. Briefly: state what is proposed with a summary of rationale and highlights. Additional rationale may be attached.)

**The current check sheet for the History Education major has an error. Under United States Cluster 1, it currently says that students need to select one course. It needs to be changed to read "Select two (2) courses." This is a 39-hour program, but the cluster hours on the check sheet add up to only 36 hours. With this change, the cluster hours will add up to the correct 39 hours. To also clean this situation up, where it says "United States Directed Electives: 9 credits," it needs to be changed to "United States Directed Electives: 12 credits."**
