Roxanne

I don't see any reason why we can't fast track this kind of change. Heck, because the courses already exist, I'm not sure it has to be anything other than an information item to the UCC. Maybe just a

memorandum from the VPAA to Jo Gerst indicating that all effected parties in University College and A&S have agreed to the proposed designation with copies to Bill Potter, Matt Klein, Reinhold Hill, Maude Bigford, and UCC.

Seems like this is similar and even less complicated than the addition of the EDGP prefix that was done for the SOE courses that were converted to one credit modules.

Because the courses in question already exist, this is an administrative rather than a curriculum change.

Leonard,

The other part of the question that I didn't ask you was can we do an expedited version of this approval, do it like a 290 so it doesn't have to go to all the committees?

Excellent. Now. I suppose Reinhold Hill would be doing the paperwork on

this--or is it more logical that Maude should do it copying him a Form B?

Leonard,

The VPAA's office asked me for the email you sent to Roxanne Cullen regarding an expedited process for honor's courses if it was an existing course that was being given an honor's title. I cannot find the email you sent to Roxanne in my archive. Do you still have a copy? We had agreed to use the x90 process.
