#### IV. New Business – Proposals

| Type      | Title                             | UCC Action                | Concerns/Reasons  |
|-----------|-----------------------------------|---------------------------|---|
| M.C.C.    | Automotive Engineering Technology | Approved, 9-0<br>Pending  | The number of changes represent a “redirection.” Address the following in the proposal summary: what will happen with the 2 + 2 with the approval of this proposal, and, justify the addition of the 4 courses identified and the removal of 8 the courses from the existing program. |
| M.C.C.    | Automotive Management (AHM)       | Sent back.                | Better clarify exactly what you are doing in the proposal summary. Add checksheet which shows the first 2 years of the current 2 + 2 for comparison/clarification...address the minority opinions expressed as an attachment.   |
| New Minor | Automotive Management (AHM)       | Approved, 7-0<br>pending. | Outcomes statement. What are the concerns relative to this particular proposal? Along with a response to those concerns.  |
| M.C.C.    | PHPR 514                          | No action                 |   |
| M.C.C.    | BIS credit reduction to 120       | No action                 |   |

## University Curriculum Committee

| <b>Type</b> | <b>Title</b>                              | <b>UCC Action</b>     | <b>Concerns/Reasons</b>  |
