III. Old Business – Other than Proposals.

- a. None.

IV. New Business – Other than Proposals.

- a. Discussed the requirement of consultations within a college, specifically COB. Committee indicated that recent experience has shown problems of “not knowing” within colleges on proposals. Consultations provide a safeguard by documenting information exchange.
- b. Discussed requiring consultations for “recommended” or “strongly suggested” courses. Recently UCC has not required such consultations as courses so listed have no definite impact on teaching resources. However, this will be considered further.

V. Next meeting: TBA.
