### IV. New Business – Proposals

<b>Type</b>	<b>Title</b>	<b>UCC Action</b>	<b>Concerns/Reasons</b>
M.C.C.	Add ENGL 311, Remove WIC, and Delete STQM 260	Sent back.	Change to “Spring” on proposed checksheet and clarify what you mean by “environmental science” for your third year lab requirement. Provide detailed rationale for all proposed changes in your proposal summary. Add assessment information for course outcomes and submit each on a Form E. Please do not include entire course syllabi. The Chair will forward the proposal on to Robert VonderOsten for WIC removal.
M.C.C.	Art Education – BS	Approved, 6-0.	Change to Spring 2008.
M.C.C.	Sonography Cleanup	Approved, 6-0 pending removal of progression requirements statement from plan and checksheet.	In order to make these changes effective for summer and fall 2008, Michelle will need to work with Jo Gerst to pull all affected current sections on the system, build new sections, and reenroll students. Change checksheet to Spring Semester, and remove “for students entering Fall 2007.” Remove progression requirement statement from the semester-by-semester plan and proposed checksheet, and work with Don Flickinger where this language should appear and what it should be.

- V. Other New Business
- VI. Next meeting: Fall 2008, if necessary.
