The Hockey Humanitarian Award is awarded annually to college hockey's finest citizen and seeks to recognize college hockey players, Division I or Division III, male or female, who give back to their community in the true humanitarian spirit. It has been said of the Hockey Humanitarian Award that we seek not to celebrate Hall of Fame athletes, but rather Hall of *Fame human beings*.

*"In the end, it's not how many times you touch the puck,
but how often you touch a life."*
