Dear Coach,

Thank you for being a part of the 2006 Ferris State University Invitational!

Attached is the tournament schedule for the invitational. Your requests were accommodated as much as possible. Teams will play three or four matches depending on requests. We will have three courts in play. With eleven teams, there will be times when teams must play back to back matches. I know this is not easy with the high level of competition we will find at this tournament. I have minimized this as much as possible and put three hours between match times in order to have a break for teams.

Please be advised that Ferris State will provide statistics for Court One only. When you are not playing on that court, you will need to provide your own statistician. You will also need to compare stats with your opponents. Our Athletic Communication Office will make photocopies of stats for your opponent and will fax your stats and scores to your SID if you would like. I apologize for the inconvenience that this causes. Since this tournament is before classes begin, we will not have the student help we would normally have.

As mentioned previously, there will be a \$250 entry fee for the tournament. Per our sponsorship contract with the local hotels, this entry fee will be waived for all teams staying in their assigned hotel. We have rooms blocked at each hotel, but please make reservations as soon as possible. Hotel assignments will be sent in a separate email. *Also, please have fans traveling with your team make reservations as soon as possible. If they mention the volleyball invitational, they can use some of the blocked rooms and receive the same rate as the teams.*

We are looking forward to hosting you this fall! Have a wonderful summer!

Sincerely,

Tia Brandel-Wilhelm  
Ferris State University  
Volleyball Coach
