4th Annual Alumni and Friends Golf Outing

Ferris State University Men's Basketball

Tullymore Golf Club

Monday, July 23, 2007

"Tullymore is a bedazzling golf course, a unique style of golf design that's imposed upon the landscape without being an imposition."

- Ron Whitten, Golf Digest.

The Ferris State Men's Basketball Staff is very excited to offer an opportunity to bring together Alumni, Family and Friends for a fun day of golf and fellowship at Tullymore. With more GLIAC Conference championships than any other school, our basketball program is working hard to continue the success and carry on the great basketball tradition Ferris State University has established. All of the proceeds from this outing will go directly to the Men's Basketball program and its efforts to maintain the excellence Ferris State Basketball has known. We appreciate all of your support and look forward to your participation in the 4th Annual Ferris State Men's Basketball Golf Outing!
