## 2009 Golf Outing

The Ferris State University men's basketball program is extremely excited to offer an opportunity to bring together alumni, family and friends for a fun day of golf and fellowship at the prestigious Tullymore Golf Club this summer with our sixth annual FSU Men's Basketball Alumni & Friends Golf Outing.

Our basketball program is working hard to continue the outstanding success and carry on the great basketball tradition that has been established at Ferris State University over the years.

All of the proceeds from this year's outing will go directly to the men's basketball program and aid our efforts to maintain the excellence Ferris State Basketball has known.

Your support of our golf outing is extremely important to our continued success. The involvement and dedication of our alumni and friends has allowed our program to reach the championship level in years past.

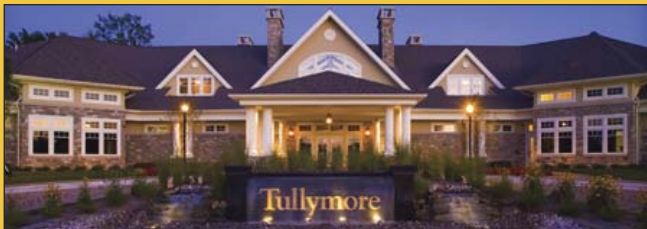

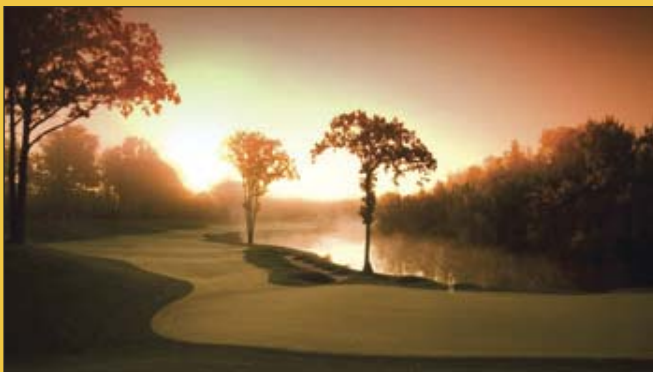

We appreciate all of your support and look forward to your participation in the sixth annual Ferris State Men's Basketball Golf Outing!!
