## Bulldogs Own Nine League Titles

The Ferris State University men's basketball program has been one of the Great Lakes Intercollegiate Athletic Conference's (GLIAC) most successful programs since the conference's inception in 1972.

Ferris has won nine overall GLIAC titles and captured the league's tournament championship and automatic NCAA Tournament bid in 1997-98.

Since 1981, Ferris has had 45 all-conference selections including 24 first-team honorees. FSU's last first-team pick was current senior Adam Anderson, who was named to the GLIAC's North Division First-Team at the conclusion of the 2000-01 campaign.

Anderson, a two-time all-league recipient, was also named to the GLIAC's All-Defensive Team in 2000-01. He led the league in scoring (21.3 ppg) while garnering first-team All-Great Lakes Region honors.
