Bulldog Tradition Second To None

The Ferris State men's basketball program ranks second to none in terms of its impressive tradition among Great Lakes Intercollegiate Athletic Conference (GLIAC) member institutions.

Ferris has won more league titles (11) and made more NCAA Championship appearances (eight) than any other conference member. In the 35-year history of the GLIAC, only the Bulldogs have won four-straight (1987-90) league championships.

In 79 seasons of men's basketball, the Bulldogs have made 13 national tourney appearances including an NCAA Division II Elite Eight berth in 1988. FSU also reached the national quarterfinal round at the National Association of Intercollegiate Athletics (NAIA) level in 1962.

Besides the school's 11 league titles, Ferris has also made eight GLIAC Tournament appearances and won the 1997-98 GLIAC Tournament championship. Along the way, the Bulldogs have produced 29 first-team all-conference selections and 54 All-GLIAC honorees since 1981. Five players have earned All-America kudos.

Ferris State has posted 38 winning campaigns and 43 non-losing seasons in its rich history. The Bulldogs have won 20 or more games in a season 18 times. The Bulldogs' 934 all-time wins includes 316 league victories along with a combined 349 triumphs at the Old and New Jim Wink Arena.
