

2003 D2Football.com All-Americans

Members of the 2003 D2Football.com All-American Team were chosen by members of the D2Football.com staff. Throughout our extensive selection process, many players across the country were considered on the basis of statistics, individual accomplishments and team accomplishments.

Due to a tie in the voting and the unusually large amount of talented defensive players in 2003, five defensive linemen and six defensive backs were selected on the first team defense while five defensive linemen and five linebackers were chosen for the second team defense.

Twenty-six players that were tabbed as Pre-Season All-Americans by D2Football.com were named to the Post-Season team.
