(PRINCETON, WV)---Two-time national champion Grand Valley State leads the way with eight selections on the 2003 Daktronics All-Northeast Region Football Team. The 14-1 Lakers had five first team picks, by far the highest total in the region. Saginaw Valley State, Shippensburg, and Mansfield each had two first team selections.

The Great Lakes Intercollegiate Athletic Conference was tops with 11 first team selections. The Pennsylvania State Athletic Conference followed closely with 10 first team honorees. Both leagues had 19 players selected overall. The West Virginia Intercollegiate Athletic Conference claimed two first team picks, the Northeast-10 Conference had one, and one selection was from the independent ranks.

Only four first team players are repeat selections from the 2002 all-region squad, all from the defensive side of the ball. Mansfield LB Dan Holland, Clarion DL Troy Bowers, Grand Valley State DL Keyonta Marshall, and Grand Valley State S Scott Mackey are two-time all-region honorees. Edinboro safety Raji El-Amin, a first team selection, is the lone freshman.

First Team honorees move on to the national ballot. The Daktronics All-America team will be released in late December.

Sports information directors from the region select the team. The Northeast Region consists of 49 schools from four conferences, along with four independent institutions.

The team is sponsored by Daktronics, Inc., an acknowledged world leader in scoring, timing and programmable display systems for virtually every sport at all levels of competition.
