FERRIS STATE FOOTBALL

FERRIS STATE GRIDIRON CLUB

Ferris State's Gridiron Club continues to serve a vital role in support of the Bulldog football program.

The club, which was formed in 1997, has progressed from a handful of financial supporters to over 550 current individual members and businesses.

Since its inception, club members have contributed over \$550,000 in cash and gift-in-kind donations.

The financial support and encouragement of Gridiron Club members continues to inspire coaches and student-athletes on an annual basis. Through their commitment, the tradition of Bulldog football remains a successful one.

Membership in the Gridiron Club is divided into six levels of giving which range from \$25 to \$2,000 with corresponding benefits associated with each level.

To join the Ferris State Gridiron Club, or for more information, contact Jackie Warner at (231) 591-2164 or via e-mail at warnerj@ferris.edu.

Ferris State Gridiron Club news and event dates are available on the FSU Athletics Website at: <http://www.ferris.edu/htmls/sports/football/gridironclub/news/homepage.htm>.
